

FLOATING FEASTS

What You'll Need:

- · 2 clear plastic disposable cups
- water
- · 6 teaspoors of salt
- peanuts

- · masking tape
- pencil

Loups "fresh water" and "salt water".

2. Fill each cup almost full with water. Add salt to salt water cup and mix.

Pull the two halves of a peanut apart. Add one half to the fresh water. Add the other half to the salt water.

• What happens to the peanut in each cup?
