

2022 ACS-Hach Professional Development Grant

American Chemical Society

PROPOSAL NAME*

Enter the title of your proposal in the space provided. The title will be used to track your proposal during the application process.

Character Limit: 150

THE REPORT

Proposal Outcome Summary*

Describe an accomplishment, activity, or aspect of the proposal that best represents your experience. Include in this brief description what your opportunity was, how the students were impacted, and how your classroom has been changed.

We are creating a database of award recipients. Your summary will be used in this database so be as descriptive as possible. Limit your response to 1,500 characters (250 words).

Character Limit: 1500

Number of Students Impacted*

Enter the approximate number of chemistry students impacted by your grant this year.

Character Limit: 6

Student Benefits*

How were these students impacted? Did you notice a change in attitude, academic performance, or other change indicators as a result of the grant?

Character Limit: 4000

Professional Benefits*

How did you professionally change as a result of your professional development experience? For example, did you change your pedagogy, your curriculum, your teaching philosophy?

Character Limit: 5000

Number of Colleagues Impacted*

Enter the approximate number of chemistry students impacted by your grant this year.

Character Limit: 200

Sharing with Colleagues*

Tell us how you shared your experience with your colleagues and what were the outcomes from your efforts?

Character Limit: 5000

FUTURE PLANS

Describe your future plans as a result of your grant. Please limit your response to 1,250 characters (250 words).*

Character Limit: 1250

PHOTOS

Personal Headshot*

Submit a personal headshot in high resolution (300 DPI, 5 MB max) and image format (jpeg, jpg, gif or png). **Do not insert the photos into a MS Word or PDF document.**

File Size Limit: 5 MB

Other Photos and Captions (Optional)

You may submit up to 3 photos that is active, engaging, and best illustrates your proposed outcomes(i.e., students engagement or you sharing with your fellow colleague(s)). The photo must be high resolution (300 DPI, 5 MB max) and image format (jpeg/gif/png). For each photo, provide a caption that describes the captured event and who are involved. **As with your headshot, do not insert the photos into a MSWord or PDF document.**

If you have photos containing individuals other than yourself, please have each individual sign the ACS Photo Release Form. Send form via postal mail or email to:

American Chemical Society
1155 16th Street, NW
Washington, DC 20036
