Getting Set Up as a Session Organizer

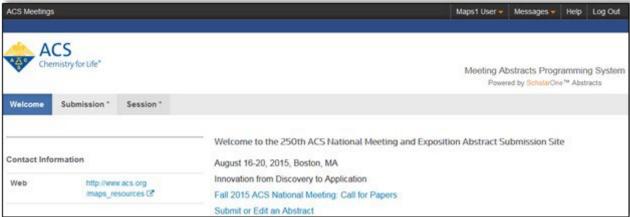

MAPS can be accessed using your ACS ID, which is used to log into many ACS services on www.acs.org. More than likely you already have an ACS ID. To log into MAPS, visit http://maps.acs.org and click on your upcoming meeting. In order for you to access the symposium you are organizing you must be assigned to your meeting by ACS Staff. For access, send an email to the ACS Staff representative for your meeting.

Creating an ACS ID

If you do not have an ACS ID you may create one at http://maps.acs.org.

- 1. Click on the meeting you wish to submit to
- 2. Click Registering is easy
- 3. Create your ACS ID by providing the required information marked with an asterisk (*)
- 4. Select W "Yes, I want to participate in the ACS Network"...
- 5. Click Create an account
- 6. Click "Return to MAPS" and log in

Once you have completed these steps send a request to the ACS Staff representative for your meeting for access to your session. Once you have been given access to your session, and have successfully logged in, you will see the screen shown below.

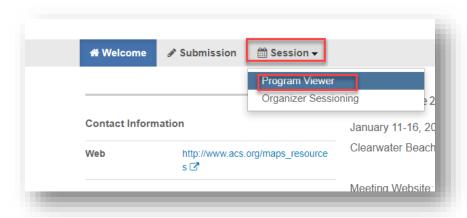

PROGRAM VIEWER

You may use the Program Viewer to see information about your sessions and abstracts. Remember, you can only view information related to the session you are organizing. You will not be able to edit any session details with the exception of abstracts.

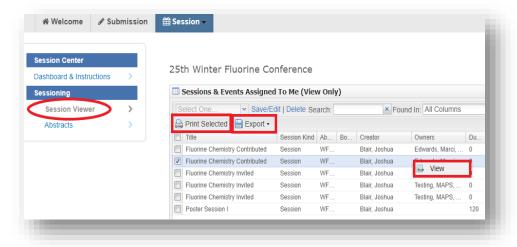

Accessing the Program Viewer

 From the Welcome Screen click Session on the upper navigation bar to access the Session Center

Viewing Sessions

- 1. Click Sessioning on the left navigation bar to access the Session Viewer
- 2. Right-click on the session you wish to view and click **View** or double-click the session name to view session details

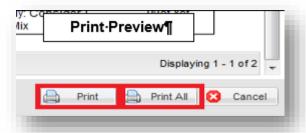

Printing Sessions
