Chemistry for Life™

# ***CLEAN WATER SAVES LIVES!***

## **And it only takes a few pennies...**

Billions of people worldwide live without safe water.  
As a result, thousands die each day of water-borne diseases.  
But for less than a nickel, you can help make a difference.

**ACS is sponsoring Coins for Cleaner Water  
to help raise money in support of P&G's  
Children's Safe Drinking Water (CSDW) Program.**

**Each packet costs only *3.5 cents* and  
safely cleans *2.5 gallons* of water.**

**So contribute your coins now. Together, we can  
raise enough funds to supply those in need  
with more than 1.5 million gallons of clean water!**

**For more information on CSDW go to:  
<http://www.csdw.org/csdw/home.shtml>**
