A Career Planning Tool For Chemical Scientists

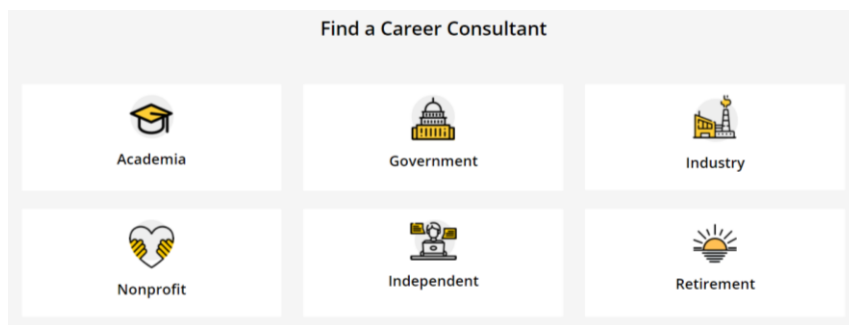

ChemIDP is an Individual Development Plan designed specifically for graduate students and postdoctoral scholars in the chemical sciences. Through immersive, self-paced activities, users explore potential careers, determine specific skills needed for success, and develop plans to achieve professional goals. **ChemIDP** tracks user progress and input, providing tips and strategies to complete goals and guide career exploration.

Get in touch with the Office of Diversity, Equity, Inclusion & Respect

The Office of Diversity, Equity, Inclusion & Respect (DEIR) is the central hub at the American Chemical Society that coordinates, supports, and guides all efforts by staff, members, and governance toward Strategic Goal 5, "Embrace and Advance Inclusion in Chemistry." The Office of DEIR at ACS is committed to empowering everyone, irrespective of lived experience and intersectionality of identities, to fully participate in the chemistry enterprise. The Office of DEIR welcomes comments, suggestions, and questions around issues of diversity, equity, inclusion, and respect from members at any time. Please do not hesitate to reach out to the Office through this form.

Please do not hesitate to reach out to the Office of DEIR at diversity@acs.org

ACS Bridge Program

Are you thinking of Grad School?

If you are a student from a group underrepresented in the chemical sciences, we want to empower you to get your graduate degree!

The ACS Bridge Program offers:

- A FREE common application that will highlight your achievements to participating Bridge Departments
- Resources to help write competitive grad school applications and connect you with mentors, students, and industry partners!

Learn more and apply at www.acs.org/bridge

Email us at bridge@acs.org

American Chemical Society

Getting Involved with Committees

Diane Krone
Chair, Committee on Committees
Councilor, North Jersey Local Section

Vision

Improving all people's lives
through the transforming
power of chemistry

19

Society Committees

What committees are your “best fit”?

ACS Committee Websites → www.acs.org/committees

Preference Form → www.cmtc.acs.org

20

20

What are you passionate about?

ACS Committee Websites → www.acs.org/committees

Preference Form → www.cmtc.acs.org

21

21

Diversity and Inclusion:

- Women Chemists
- Younger Chemists

Effective Governance:

- Budget and Finance
- Constitution & Bylaws
- Committees*
- Council Policy*
- Ethics
- International Activities
- Local Section Activities
- Nominations & Elections*

Membership:

- Divisional Activities
- Economic & Professional Affairs
- Meetings & Expositions
- Membership Affairs
- Senior Chemists
- Technical Affairs

Education:

- Chemical Safety
- Education
- Patents & Related Matters
- SEED

External Outreach:

- Chemistry & Public Affairs
- Chemists with Disabilities
- Community Activities
- Environmental Improvement
- Minority Affairs

Science:

- Analytical Reagents
- Nomenclature, Terminology & Symbols
- Professional Training
- Public Relations & Communications
- Publications
- Science

*Councilors Only

ACS Committee Websites → www.acs.org/committees

Preference Form → www.cmtc.acs.org

22

22

Benefits of Committee Service

- Engaging in Passion
- Personal Fulfillment
- Professional Development
- Professional Accomplishments
- Serving our Constituents
- Expanding Network
- Friends and Fun

ACS Committee Websites → www.acs.org/committees

Preference Form → www.cmtc.acs.org

23

23

Benefits of Committee Service

ACS Committee
Women Chemists

Eugenia Narh Baawuo

Member
Women Chemists Committee

Past Committee Experience:

① Committee on Technician Affairs, Member

ACS Committee Websites → www.acs.org/committees

Preference Form → www.cmtc.acs.org

24

24

Why does ACS have committees?

To achieve ACS vision of “Improving people’s lives through the transforming power of chemistry”

To achieve the Society’s strategic plan.

Support for Council and Board:

- Gather input
- Provide feedback
- Make recommendations
- Create and drive programs
- Serve as the voice of the members

ACS Committee Websites → www.acs.org/committees

Preference Form → www.cmtc.acs.org

25

25

What’s involved?

Meetings are Virtual, Hybrid, and in-person at National Meeting

They may have subcommittees and working groups

Virtual, emails, project management tools, etc. accomplish the work of the committee throughout the year

Scope and responsibilities are well defined in governance documents

Committees have vision, mission, strategic plans, annual goals

Support: Committees have ACS Staff Liaison, some budget, and travel reimbursement policy

ACS Committee Websites → www.acs.org/committees

Preference Form → www.cmtc.acs.org

26

26

What is my time commitment?

ACS Committee Websites → www.acs.org/committees

Preference Form → www.cmte.acs.org

27

27

Audience Survey Question

ANSWER THE QUESTION ON THE INTERACTIVE SCREEN IN ONE MOMENT

How familiar are you with the New Online Committee Preference Form?

- I do not know how to access the Preference Form
- I have logged into www.cmte.acs.org and looked around but have not yet begun to complete it
- I've been to www.cmte.acs.org and have begun to complete the Preference Form
- I have completed the form and submitted my preferences

* If your answer differs greatly from the choices above **tell us in the chat!**

28

Chemical Safety (CCS)

Education (SOCD) [Learn more](#)

Parents and Related Members (PRM)

Project SEED (SEED)

Chemical Safety (CCS)

The Committee on Chemical Safety (CCS) provides leadership and resources to advance chemical safety by fostering collaborative partnerships and by creating and compiling chemical safety resources that are current, well-managed, and authoritative. The committee's work focuses on an education, emerging issues, and partnerships.

Duration: 3 years
 Primary Focus: Education
 Secondary Focus: External Outreach & Advocacy

Expertise and skills

Championing Diversity
A desire to develop ideas and actionable strategies to connect chemical safety with diversity, equity, inclusion, and respect to make chemistry laboratories in academic and industrial settings safer and more welcoming for all.

Networking and Outreach
A desire to further the dissemination of risk-based safety management, experience in establishing and developing collaborations within the Society or with external partners in academia, industry, and other organizations.

Safety in Chemistry
Ability to assist with the creation of educational materials promoting improvement of safety culture and risk management in industrial and academic laboratories; technical safety expertise or experience in chemical safety, safety education, and/or risk management.

Filtering functionality allows users to review each committee by:

- Its main topic and focus
- Skills and expertise needed

39

39

ConC Vision

ConC exists to ensure the ACS committees are inclusive, optimally organized, resourced and engaged

Vision: ACS is served by an inclusive, effective and dynamic committee system.

1. Enhance matching the needs and demands of committees with member expertise and perspectives.
2. Increase the number of qualified and committed volunteers from diverse communities.
3. Enhance communication, networking, and collaboration among committees to more effectively achieve the ACS mission and vision.
4. Identify, assess and recommend enhancements to improve the effectiveness of the Committee System.

Presidential Succession

Serve three years on the Board of Directors

Angela K. Wilson
President

Judith C. Giordan
President-Elect

H.N. Cheng
Immediate Past President

- **President-Elect**
 - N & E presents a slate of four nominees for President-Elect to the ACS Council
 - “Down select” election occurs at the Spring ACS National Meeting when slate is narrowed to two candidates who go before the full membership for election in the fall (September/October)
 - There may also be petition candidates that are approved for the fall election
- **Successful candidate serves as President-Elect for one year; then President for one year; finally Immediate Past President for one year**

ACS Governance Website → <https://www.acs.org/content/acs/en/about/governance.html>

48

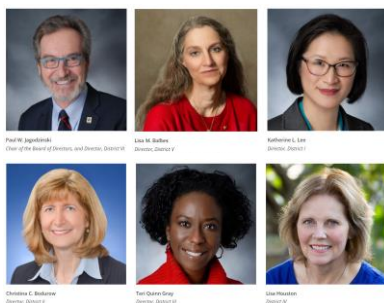

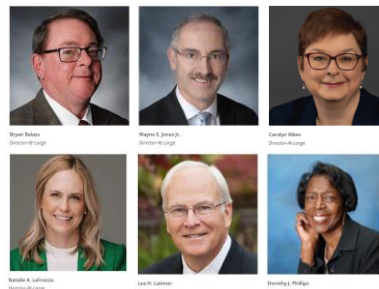

48

Remaining elected members of the Board serve three-year terms

- Directors at Large (DAL)**

- N & E presents a slate of four candidates to the members of Council who then vote for two people to serve on the Board of Directors.

- District Directors (6 electoral districts)**

- N & E presents a slate of four nominees to the Councilors of the District who then chose two candidates to go before the members of the district, where one is elected to the Board of Directors.
