GWB 2023

Breaking Barriers in Science

Feb. 14th
2023

You are invited to the [IUPAC Global Women's Breakfast](https://www.iupac.org/gwb) #GWB2023 “Breaking Barriers in Science” 14 Feb 2023

The aim of the GWB series is to celebrate the accomplishments of Women in Science and to inspire younger generations to pursue careers in science. Women and men from all types of science organizations from high schools, universities, companies, science societies, government and non-governmental organizations come together to share breakfast either virtually or in person. **The theme of the 2023 GWB is “Breaking Barriers in Science”.**

Held in conjunction with the U.N. Day of Women and Girls in Science, a central goal is to establish an active network of both women and men to overcome the barriers to gender equality in science. The Global Breakfast facilitates the formation of communities on a local, regional, and international scale to effectively share ideas and strategies for progress.

Getting started as a Global Breakfast organizer is simple. If you have any problems, contact us at globalbreakfast@iupac.org.

STEP 1 – Open the [Organizer Registration Form](#). Fill out the form to create your account and click submit.

STEP 2 – [Login to your GWB Account](#) with your email address and password. If you organized a breakfast in 2020 or 2021, your email and password is still valid. If you have forgotten your password, you can reset it.

STEP 3 – Add a New Event to your account “My Events” page. This is how you can add your event to the global map.

STEP 4 – Go the [GWB Global Map](#) to check that your event location and details are correct. You can always update your page with new information by logging back into your account.

STEP 5 – Check out the [“Resources”](#) for ready to use marketing materials and connect with other organizers using the “Directory” page.

STEP 6 – Begin planning your event for 14 Feb 2023!
