Introduction

The ACS Governing Documents (ACSGovDocs), in force as of June 1, 2022, contain the Charter, Constitution, Bylaws, Standing Rules, Schedule of Membership, and Regulations of the American Chemical Society (<http://www.acs.org>). The Additional Information, which includes the Volunteer/National Meeting Attendee Conduct Policy, is directly related to the contents of, but not considered one of the official governing documents.

The online version of the ACSGovDocs (<http://www.acs.org/govdocs>) is the authoritative version because it is updated throughout the year as needed. It allows users to search (Ctrl+f) for words or phrases, use bookmarks for navigation, print the entire work or selected page(s), and/or copy and paste the entire work or excerpts as you wish. Dates in parentheses indicate the effective date of the wording. If text was moved from one document to another, e.g. from the Standing Rules to the Schedule of Membership, the wording will not indicate a new date if the text was identical to the previous document, or if minor editorial corrections were made. Where no dates appear, the effective date is November 1, 2019.

In addition to the headers, bolded words and phrases in the Standing Rules and Schedule of Membership are for emphasis and to help you find topics on the pages.

In certain sections it is necessary to differentiate between members, MEMBERS, and STUDENT MEMBERS. The word in lowercase letters (members) includes both MEMBERS and STUDENT MEMBERS. When all capital letters are used (MEMBERS or STUDENT MEMBERS) this indicates only one group or the other.

Summary of Changes in 2022

See the changes noted below and the effective dates. For the full text of the changes, see the Changes Document that is posted online at <http://www.acs.org/govdocs>.

ARTICLE XIII
Amendments to the Constitution

Section 1.

The Constitution may be amended by the Council in the manner provided herein. A petition for amendment of this Constitution, along with the reasons for the proposed amendment, shall be submitted in writing to the Council, through the Chief Executive Officer, over the signatures of not fewer than 10 voting Councilors or not fewer than 25 members of the SOCIETY. The petition may include a recommended effective date.

Sec. 2.

a. Each petition for amendment shall be considered for the first time at the next meeting of the Council, provided that the Chief Executive Officer receives the petition by not less than sixteen weeks prior to that Council meeting. The Chief Executive Officer shall refer the petition to the committee responsible for the Governing Documents Function and, with the advice of the committee responsible for the Committees Function, to other appropriate committees of the Council as defined in the Standing Rules. One committee shall be designated by the Chief Executive Officer as having primary substantive responsibility. The substance of the petition shall appear on the open meeting agenda of these committees for discussion, and the petition shall appear on the Council agenda for consideration. Except as provided below, the petition shall not be voted on at the first Council meeting at which it is considered.

b. A petition may be withdrawn within thirty days following the Council meeting at which a petition was presented for consideration or was acted upon by recommendation to the committee with primary substantive responsibility or referral to other committee(s). Such withdrawal must be made by an original petitioner or the chair of the committee assigned primary responsibility for substantive review by notifying the committee responsible for the Governing Documents Function, through the Chief Executive Officer. If the committee responsible for the Governing Documents Function concurs, then not less than twelve weeks prior to the following Council meeting, that committee shall report its recommendations and rationale to the Chief Executive Officer, who shall send them to each petitioner. A signed request for withdrawal must be received by the Chief Executive Officer at least eight weeks prior to the Council meeting for a petitioner's name to be removed from the list of petitioners. If the number of remaining petitioners falls below 50 percent of the original number, and if this remaining number no longer satisfies the requirements specified above, the petition shall be considered withdrawn and shall not be included for action in the agenda of the Council meeting.

c. After the petition was first considered, the committee responsible for the Governing Documents Function shall report its recommendations to the Chief Executive Officer not less than twelve weeks prior to the next Council meeting. The Chief Executive Officer shall send them to the petitioners directly or, if more than 50 signatures appear on the petition, through the official organ of the SOCIETY. The form of the petition so recommended shall be placed on that next Council agenda for vote, and shall stand in place of the original petition. The original petition, unchanged or modified to include any of the recommended changes only, also shall be placed on the Council agenda should such a request be received from a majority of the petitioners not later than eight weeks prior to the Council meeting. Should the Council not adopt the recommendations of the

committee responsible for the Governing Documents Function, Council shall act immediately upon the original petition.

d. Within thirty days after the Council meeting at which a petition to amend the Constitution was presented for consideration, opponents of the proposed petition may submit written arguments to the chair of the committee that was assigned primary substantive responsibility for the petition. The chair shall prepare summaries of these arguments and of any rebuttals by proponents, for inclusion, in association with the proposed amendment, in the agenda of the Council meeting at which action is to be taken. The chair of the committee responsible for finances, as described in the Standing Rules, shall prepare a financial impact statement which also shall appear in the Council agenda when action is to be taken on the petition.

e. The petition may be voted on at the first Council meeting at which it is considered, as a matter of urgency. Each petition to be presented for urgent action must be so designated in the agenda for that Council meeting. Such immediate action may be taken only if the Council determines by a minimum of three-fourths (3/4) vote that sufficient urgency exists. In taking immediate action, the Council shall act on the original petition unless the committee responsible for the Governing Documents Function submits to the Council an alternate proposal, in which case the Council shall act first upon the alternate proposal.

f. Each petition for amendment of the Constitution shall require both the approval of the Council and ratification by vote of the membership of the SOCIETY for adoption, but no such petition shall be submitted to the membership unless first approved by the Council.

If the Council approves the petition, the amendment shall be submitted to the membership for vote at the time of the next SOCIETY election, except that the Council may rule that the ballots be distributed at an earlier date. In any balloting on Constitutional amendments, an opportunity shall be provided for proponents and opponents of the petition to submit statements of their respective positions. Summaries of such statements shall be prepared by the committee responsible for the Governing Documents Function and included with the ballot. The balloting shall be conducted according to the requirements specified in the Bylaws.

Sec. 3.

The Chief Executive Officer shall communicate the results of the vote to the President, and to the members through the official organ of the SOCIETY. No amendment shall be ratified unless two-thirds (2/3) of the members voting on the proposal vote in its favor. Each amendment shall become effective when ratified unless a later date is specified.

The Board of Directors also shall have power to allocate funds to carry out the Purposes of the SOCIETY.

BYLAW X
(Constitution, Article XIII)
Amendments to the Bylaws

Section 1.

The Bylaws may be amended by the Council in the manner provided herein. A petition for amendment of the Bylaws along with the reasons for the proposed amendment, shall be submitted in writing to the Council, through the Chief Executive Officer, over the signatures of not fewer than 10 voting Councilors or not fewer than 25 members of the SOCIETY. The petition may include a recommended effective date.

Sec. 2.

a. Each petition for amendment shall be considered for the first time at the meeting of the Council that follows provided that the Chief Executive Officer receives the petition by not less than sixteen weeks prior to the Council meeting. The Chief Executive Officer shall refer the petition to the committee responsible for

the Governing Documents Function and, with the advice of the committee responsible for the Committees Function, to other appropriate committees of the Council as defined in the Standing Rules. One committee shall be designated by the Chief Executive Officer as having primary substantive responsibility. The substance of the petition shall appear on the open meeting agenda of these committees for discussion, and the petition shall appear on the Council agenda for consideration. Except as provided below, the petition shall not be voted on at the first Council meeting at which it is considered.

b. A petition may be withdrawn within thirty days following the Council meeting at which a petition was presented for consideration or was acted upon, by recommitment to the committee with primary substantive responsibility or referral to other committee(s). Such withdrawal must be made by an original petitioner or the chair of the committee assigned primary responsibility for substantive review by notifying the committee responsible for the Governing Documents Function, through the Chief Executive Officer. If the committee responsible for the Governing Documents Function concurs, then not less than twelve weeks prior to the following Council meeting, that committee shall report its recommendations and rationale to the Chief Executive Officer, who shall send them to each petitioner. A signed request for withdrawal must be received by the Chief Executive Officer at least eight weeks prior to the Council meeting for a petitioner’s name to be removed from the list of petitioners. If the number of remaining petitioners falls below 50 percent of the original number, and if this remaining number no longer satisfies the requirements specified above, the petition shall be considered withdrawn and shall not be included for action in the agenda of the Council meeting.

c. Not less than twelve weeks prior to the Council meeting next following that at which the petition was first considered, the committee responsible for the Governing Documents Function shall report its recommendations to the Chief Executive Officer, who shall send them to the petitioners directly or, if more than 50 signatures appear on the petition, through the official organ of the SOCIETY. The form of the petition so recommended shall be placed on that next Council agenda for vote and shall stand in place of the original petition. The original petition, unchanged or modified to include any of the recommended changes only, also shall be placed on the Council agenda should such a request be received from a majority of the petitioners not later than eight weeks prior to the Council meeting. Should the Council not adopt the recommendations of the committee responsible for the Governing Documents Function, Council shall act immediately upon the original petition.

d. Within thirty days after the Council meeting at which a petition to amend the Bylaws was presented for consideration, opponents of the proposed petition may submit written arguments to the chair of the committee that was assigned primary substantive responsibility for the petition. The chair shall prepare summaries of these arguments and of any rebuttals by proponents, for inclusion, in association with the proposed amendment, in the agenda of the Council meeting at which action is to be taken. The chair of the committee responsible for finances, as described in the Standing Rules, shall prepare a financial impact statement which also shall appear in the Council agenda when action is to be taken on the petition.

e. The petition may be voted on at the first Council meeting at which it is considered, as a matter of urgency. Each petition to be presented for urgent action must be so designated in the agenda for that Council meeting. Such immediate action

Bylaws

may be taken only if the Council determines by a minimum of three-fourths (3/4) vote that sufficient urgency exists. In taking immediate action, the Council shall act on the original petition unless the committee responsible for the Governing Documents Function submits to the Council an alternate proposal, in which case the Council shall act first upon the alternate proposal.

Sec. 3

Each petition for amendment of the Bylaws shall require a minimum of two-thirds (2/3) vote of the voting Councilors for approval. The Chief Executive Officer shall notify the Board of Directors when a Bylaw amendment has been approved by Council. Each amendment shall become effective when confirmed by the Board of Directors unless a later date is specified.

BYLAW XI

Amendments to the Standing Rules

To be adopted, any amendment(s) to the Standing Rules must be reviewed by the committee responsible for the Governing Documents Function, to ensure consistency with the ACS Governing Documents, approved by a majority of the Councilors voting at a meeting of Council, and confirmed by the Board of Directors. Such amendment(s) may come before Council in one of the following ways: (8/21/20)

a. The committee responsible for the function pertaining to the amendment shall approve the proposed amendment(s) at an official meeting by a majority affirmative vote followed by review by the committee responsible for the Governing Documents Function, and by Council action as noted above. (8/21/20)

b. Any committee, ten voting Councilors, or 25 members shall submit proposed amendment(s) by written petition to the committee responsible for the function at least five weeks prior to the committee's next official meeting. If the committee approves the amendment(s) by a majority vote, the amendment(s) shall be sent to the committee responsible for the Governing Documents Function for review. After review, that committee shall send the amendment(s) to the Council for action. (8/21/20)

c. If the amendment(s) are not approved by the committee responsible for the function, the decision may be appealed to the committee responsible for the Council Executive Function by written petition of 25 voting Councilors at least eight weeks before the next Council meeting. (8/21/20)

(1) If a majority of the committee responsible for the Council Executive Function approves the amendment(s) at an official meeting, then the amendment(s) shall be sent to the committee responsible for the Governing Documents Function for review, before being sent to the Council for action. (8/21/20)

(2) If the committee responsible for the Council Executive Function does not approve the amendment(s), the amendments shall be sent to the committee responsible for the Governing Documents Function for review, after which an appeal may be brought to the Council floor for action if at least three-tenths (3/10) of voting Councilors agree to its consideration. (8/21/20)

Sec. 2.

Applicants for membership shall be elected only as provided in the Bylaws and these Standing Rules.

Sec. 3.

A member may be dropped from membership for nonpayment of dues or for conduct that in any way tends to injure the SOCIETY or affect adversely its reputation, or that is contrary to or destructive of the SOCIETY's Purposes. No member shall be dropped except after opportunity to be heard as provided in these Standing Rules. When "member" is used, this includes both MEMBERS and STUDENT MEMBERS. When either a MEMBER or STUDENT MEMBER is mentioned, this excludes the other category of membership.

Standing Rules

Sec. 4.

The membership term for new and reinstated members shall be an inclusive twelve-month period. The member's anniversary date shall be the date of entry into the active membership roll.

Sec. 5.

Any person, qualified as specified in the following subsections, who shall have been nominated in writing by two members of the SOCIETY, who shall have paid the initial membership dues and fees as applicable, and whose application shall have been approved by the Committee on Membership Affairs, shall be declared elected a MEMBER or a STUDENT MEMBER of the SOCIETY. The requirement of having two nominations in writing may be waived by the Committee on Membership Affairs in cases where applicants live in areas remote from SOCIETY members.

a. MEMBERS

The Committee on Membership Affairs may approve for MEMBER a person who meets any of the following requirements for formal training, experience, or employment in a chemical science or in a related field of natural science, engineering, technology, or science education. Natural sciences are those that deal with matter, energy, and their interrelationships and transformations.

(1) An earned bachelor's or higher degree in a chemical science or in a related field of natural science, engineering, technology, or science education from an appropriately accredited educational institution, or one acceptable to the Committee on Membership Affairs.

(2) An associate degree or equivalent in a chemical science or related field of technology from an appropriately accredited educational institution, or one acceptable to the Committee on Membership Affairs.

(3) Full certification, licensure, or other qualification as a pre-college teacher of chemical science, provided such certification, licensure, or other qualification is deemed satisfactory by the Committee on Membership Affairs.

(4) Less formal training than indicated above and significant documented work experience in chemical science, chemical technology, or chemical education that is satisfactory to the Committee on Membership Affairs as representing achievement equivalent to that in any of the provisions above. One year of full-time relevant work experience shall be broadly equivalent to one year of full-time education and training.

The Committee on Membership Affairs may approve for STUDENT MEMBER a person who is actively working toward an undergraduate degree in a chemical science or in a related field of natural science, engineering, technology, or science education from an appropriately accredited educational institution, or one acceptable to the Committee on Membership Affairs. A STUDENT MEMBER may retain such status only as long as that person is actively working toward such a degree. A STUDENT MEMBER who no longer meets the requirements for STUDENT MEMBER but does meet the requirements for MEMBER shall be reclassified no later than the beginning of the following membership year. (4/22/2020)

Sec. 6.

Except as provided in the Bylaws and elsewhere in these Standing Rules, membership in the SOCIETY and the obligation for dues continue from year to year unless a member's resignation, signed by the member, is received by the Chief Executive Officer prior to the end of the twelve-month period for which dues have been paid. Any person in arrears for dues for one year shall cease to be a member of the SOCIETY, provided that at least two weeks before the name is removed from the rolls, the Chief Executive Officer shall send the member a written notice of delinquency, together with a copy of the Standing Rules pertaining to the subject.

A person whose resignation was received within the specified time limit, or whose membership was terminated through the nonpayment of dues, may be reinstated as a member of the SOCIETY by the Committee on Membership Affairs when that person requests reinstatement and has paid the current dues.

Sec. 7.

Expulsion

a. Grounds for Expulsion. Members of the SOCIETY shall be expelled from the SOCIETY for conduct that tends to injure the SOCIETY or to affect adversely its reputation, or that is contrary or destructive to its Purposes as described in the SOCIETY's Constitution.

b. Initiation of Process. Any member(s) of the SOCIETY may begin the expulsion process by submitting to the Chair of the Committee on Membership Affairs, a written statement specifying charges regarding the charged member.

c. Due Process. Procedures for considering expulsions shall be developed by the Committee on Membership Affairs and approved by the Council. Such procedures shall provide for quick resolution, fairness, confidentiality, and due process, including an opportunity for a charged member to be heard. Any modifications to the approved procedures shall be approved by the Council.

d. Advisors. The charged member may be assisted by an advisor who may act on behalf of the member. Such advisor may be an attorney if the charged member provides the Chair of the Committee on Membership Affairs with written notice of the attorney's name and office address at least ten working days prior to any hearing. An attorney for the SOCIETY may be selected by the SOCIETY's General Counsel to be present and speak at any such hearing(s).

e. Confidentiality. All charges, evidence, correspondence, findings, and recommendations pertaining to any such expulsion matter shall be confidential. All expulsion proceedings and hearings shall be closed to the public.

f. Appeal. The charged member may appeal an adverse decision of the Committee on Membership Affairs to the Council Policy Committee, which shall consider the appeal at its next regularly scheduled meeting, or at an earlier meeting specially called for the purpose of considering the appeal. Decisions of the Council Policy Committee shall be final.

g. Dissemination of Outcome. Upon disposition of the charges, the Chair of the Committee on Membership Affairs shall be responsible for communicating the outcome to the charged member, the Society's Chief Executive Officer, the Chair of the Board of Directors, and the member(s) who submitted the statement of charges. In the event the Committee on Membership Affairs determines to expel the charged member, the Chair of the Committee on Membership Affairs shall also inform the chairs of the local section, and of any division(s) to which the charged member belongs. In addition, the Chair of the Board also may inform any additional people who, in the Chair's discretion, have a need to know the decision.

h. Readmission. Persons whose membership in the SOCIETY shall have been terminated by any SOCIETY action herein described, or by resignation after the statement of charges is received by the charged member, shall not be readmitted upon subsequent application unless such application is approved by a two-thirds (2/3) vote of the Committee on Membership Affairs.

Sec. 8.

The Committee on Membership Affairs may conduct membership recruitment and retention market testing of SOCIETY memberships, services and benefits, including special dues categories (such as provided in the Schedule of Membership), to provide data as the basis for recommendations to the Council. The number of individuals included in any test related to dues discounts shall not exceed a number equal to 10 percent of the total membership. Each test shall be limited to a three-year duration unless granted prior approval by the Council. All test results will be reported to the Council at least once a year.

Multiple enrollments are permissible. A Corporation Associate shall be entitled to no membership privileges.

(2) Application for such status shall be made on the appropriate form and be accompanied by a check in payment of dues for the first year. A Committee on Corporation Associates of the Board of Directors shall consider all applications for Corporation Associates and take such action as it deems appropriate.

(3) The dues of Corporation Associates shall be graduated and based on the number of chemical scientists employed the preceding year by the unit enrolled in accordance with a schedule set in advance by the Board of Directors.

(4) The dues so paid shall be available at the discretion of the Board of Directors, with the advice and recommendation of the Committee on Corporation Associates, primarily to develop, support, and expand SOCIETY programs to serve the interests of industrial chemical scientists and to improve the image of chemistry.

(5) The obligation for dues for a Corporation Associate shall continue from year to year. The status of any Corporation Associate in arrears for dues after March 31 shall be communicated to the Board of Directors for its action. If, by action of the Board of Directors, a Corporation Associate is dropped for nonpayment of dues, it shall be reinstated only by vote of the Board of Directors upon recommendation by its Committee on Corporation Associates.

d. Neither Society Affiliates nor Corporation Associates nor affiliates of a Local Section or Division shall be or represent themselves as members of the SOCIETY.

Sec. 2.

Composition of Council

- a. The President and the Secretary of the SOCIETY shall be the President and the Secretary, respectively, of the Council, and the President shall serve as the presiding officer of the Council. - b. **Councilors Elected by Local Sections**
 - (1) Each Local Section shall have at least one Councilor.
 - (2) The total number of Councilors representing the larger Local Sections shall be not fewer than 280 or more than 320. A larger Local Section is defined as one in which the number of members is equal to or greater than one-half the constant defined elsewhere in these Standing Rules.
 - (3) The number of Councilors authorized for each of the larger Local Sections for a four-year period beginning in a year divisible by four shall be determined by dividing the number of members of the Local Section (official count of December 31 of the second preceding year) by a constant (divisor). The number of Councilors so determined shall be equal to the whole number of the quotient plus one for any fraction in the quotient equal to or greater than 0.550; for a Local Section to lose a Councilor position once it has been authorized, the fraction must become equal to or less than 0.450. The divisor shall be established by the Council Policy Committee prior to May 1 of the first preceding year, and its value shall be such that the total number of Councilors from the larger Sections shall be within the limits set elsewhere in these Standing Rules.
 - (4) The **Secretary of each Local Section** shall certify to the Chief Executive Officer, **not later than December 1 of each year**, much earlier if possible, the names, addresses, and terms of the elected Councilors from said Local Section for the ensuing year and shall name the individual or individuals to be disqualified if the Section's representation is reduced as a result of the official determination of representation provided elsewhere in these Standing Rules.
- c. **Councilors Elected by Divisions**

- (1) The number of Councilors authorized for each Division for a four-year period beginning in a year divisible by four shall be determined from the number of paid members of the Division (official count of December 31 of the second preceding year). Prior to May 1 of the first preceding year, the Council Policy Committee shall select a cut-off figure, n, such that Divisions with up to n

members shall have one Councilor, those with (n+1) to 2n members shall have two Councilors, those with (2n+1) to 3n shall have three Councilors, and those with greater than 3n shall have four Councilors.

(2) The **Secretary of each Division** shall certify to the Chief Executive Officer **not later than December 1 of each year**, much earlier if possible, the names, addresses, and terms of the elected Councilors from said Division for the ensuing year and shall name the individual or individuals to be disqualified if the Division's representation is reduced as a result of the official determination of representation provided elsewhere in these Standing Rules.

d. Disqualified Councilors

A **Councilor disqualified during a term by reduction** in a Local Section's or Division's representation as a result of the official determination of representation provided elsewhere in these Standing Rules **shall remain a voting Councilor** until the expiration of that existing term.

e. Alternate Councilors

(1) The number of Alternate Councilors elected by each Local Section and by each Division shall equal the number of Councilors to which each is entitled.

(2) The Secretary of each Local Section and of each Division shall certify to the Chief Executive Officer not later than December 1 of each year, the names, addresses, and terms of the elected Alternate Councilors from said Local Section and from said Division for the ensuing year.

(3) All communications sent to Councilors also shall be sent to Alternate Councilors, but the latter shall not receive ballots.

(4) In the event a Councilor is unable to attend a Council meeting, the Local Section or Division shall select, in a manner to be determined by the Local Section or Division, as described elsewhere in these Standing Rules, an individual from the list of Alternate Councilors furnished by the Local Section or Division, to serve as the Councilor only at said Council meeting or recessed sessions thereof, with power to act on behalf of said Councilor. To gain admission to the Council meeting, said Alternate Councilor shall present a certificate signed by the Secretary of the Local Section or Division certifying that said Alternate Councilor is to substitute for said absent Councilor.

(5) There shall be no alternates for Ex Officio Councilors, provided, however, that each Ex Officio Councilor, if absent, may send a representative to report to the Council and to report the meeting to the Ex Officio Councilor.

f. Temporary Substitute Councilors

If every Councilor and Alternate Councilor of a given Local Section or Division will be absent from a Council meeting, and thus leave the Local Section or Division without representation at such meeting, the Local Section or Division may designate one of its MEMBERS as a fully accredited Temporary Substitute Councilor, with power to vote, to represent the Local Section or Division at that one Council meeting. In such case, the Chief Executive Officer must be notified at least fifteen days in advance of the Council meeting in order to assure certification of eligibility by the Committee on Nominations and Elections.

g. Voting

A Councilor shall be entitled to only one vote, regardless of the number of categories under which that MEMBER may qualify as Councilor.

h. Nonvoting Councilors

(1) The Council Policy Committee and the Executive Committee of the Board of Directors shall jointly designate the nonvoting Councilors and shall establish the term for any not in an ex officio capacity. These shall thereafter be specified by title in the Regulations.

(2) All communications sent to voting Councilors also shall be sent to nonvoting Councilors, but the latter shall not receive ballots.

Dues

(4/22/2020)

b. In addition to the dues so determined, members and Society Affiliates residing outside the United States shall pay a surcharge to reflect additional mailing costs incurred by the SOCIETY in providing delivery of the official organ of the SOCIETY. The surcharge shall not be subject to the dues discounts provided elsewhere in these Standing Rules and the discounts provided in the Schedule of Membership.

c. An allocation from general SOCIETY revenues shall cover the printing and distribution cost of copies for all MEMBERS and Society Affiliates of the editorial portion of the official organ of the SOCIETY. The allocation shall be fixed by the Board of Directors, on recommendation of the Society Committee on Budget and Finance. (5/22/22)

d. The subscription term for the official organ shall correspond to the membership period.

e. An annual allocation from SOCIETY funds shall be made to provide for financial support of Local Sections and Divisions. The allocation will be made from a quasi-endowment established by the Board of Directors expressly for this purpose. The amount available for financial support of Local Sections and Divisions will be based upon the SOCIETY's endowment payout policy as established by the Board of Directors. This allocation shall be divided between Local Sections and Divisions with 55 percent of the allocation for Local Section support and 45 percent of the allocation for Division support. (5/22/22)

f. The SOCIETY must distribute allocations to each Local Section and Division, unless a Local Section or Division is not in compliance with reporting requirements. The formula for such redistribution shall be at the discretion of the Committee on Local Section Activities or the Committee on Divisional Activities, respectively. (5/22/22)

g. The allotment to a Local Section or Division established during the SOCIETY's financial year shall be based on the membership count of the Local Section or Division when established. Funds may be drawn in proportion to the fraction of the financial year remaining. A Local Section or Division established during a financial year shall receive funds for the following financial year also based upon the membership count when established.

h. The payment of the allotment to a Local Section or Division may be conditioned on the fulfillment of reporting requirements, as provided in these Standing Rules.

b. Student Chapters shall receive no allotment of funds from the SOCIETY and shall not be entitled to elected representation on the Council. a. For the purpose of electing District Directors, there shall be six geographic Districts. To provide equitable representation, the member population of each District shall be within 10 percent of the result obtained by dividing by six the number of members whose addresses lie within the United States and Canada. Each District shall be made up of whole, neighboring Local Sections, plus those members not belonging to any Local Section who have their addresses in specified states, provinces, or counties. The Committee on Nominations and Elections shall review annually the distribution of member population within the six Districts as defined by the official count. It shall recommend to the Council such redefined District boundaries as are necessary to satisfy the provisions contained herein. The Council shall act upon this recommendation in sufficient time for any adopted changes to take effect January 1 following. The Council in creating a new Local Section shall designate the District to which it is assigned.

b. Each member whose address lies within the United States and Canada shall be entitled to vote for the office of District Director from that District in which is located the member's Local Section or, lacking one, the member's address. The address of a member is that to which the official organ of the SOCIETY is sent.

c. On or before January 15, the Committee on Nominations and Elections shall send to the Chief Executive Officer the names of not fewer than four MEMBERS of the SOCIETY as nominees for each position of District Director to be filled. Each nominee must be entitled to vote in the District electing the District Director for which the nominee would be a candidate. When elected, each District Director may serve a complete term despite changes in Local Section or address or in any District boundary.

d. On or before March 1, the Chief Executive Officer shall send a preferential ballot to each Councilor in the District electing a District Director; the ballot shall contain the names of the nominees for District Director of that District, as selected by the Committee on Nominations and Elections. Ballots shall be returned no later than four weeks after the ballots are distributed.

e. One percent of the members of the SOCIETY entitled to vote in the District electing a District Director, not more than one-third (1/3) of whom are assigned to any one Local Section, may nominate a candidate for District Director by filing a petition with the Chief Executive Officer by July 15. Nomination for President-Elect by Councilor Petition

Wherever in these Standing Rules provision is made for selection of candidates for President-Elect by the Council from a list of nominees presented by its Committee on Nominations and Elections, nothing herein shall prohibit petitions for nomination from the floor at the Council meeting provided that such petitions are submitted in writing and signed by not fewer than 50 Councilors present at the meeting and provided that not more than one-third (1/3) of such Councilors shall be MEMBERS of any one Local Section. MEMBERS whose names are so presented shall become nominees for that office.

Sec. 13.

Sec. 14.

Elections and Withdrawal or Death of Candidate

a. The Committee on Nominations and Elections shall ensure that in each election for the offices of President-Elect, Director-at-Large, and District Director, there shall be at least two candidates for each position to be filled. If the number of candidates falls below two, the Committee on Nominations and Elections shall add the name next in line from the same candidate selection process.

b. Should such a deficiency of candidates for a specific elective office occur after the ballots have been sent and before the established deadline for return of ballots, the Committee on Nominations and Elections shall declare the election void for that particular office. The Committee shall then provide an additional candidate or candidates, if necessary. Provisions shall be made for additional submission and validation of petition candidates. New ballots shall be prepared and the election resumed on a schedule established by the Committee on Nominations and Elections.

c. Should there be a death or withdrawal of a candidate in an election in which there remain two or more candidates for each position to be filled, the election shall proceed. The Committee on Nominations and Elections shall ensure that the winning candidate for President-Elect or District Director in each case receives a majority of the votes cast for the position, by a run-off election if necessary. In the case of Director-at-Large, the candidates receiving the greatest numbers of votes shall be declared elected.

d. Should a preferential (three-person) election be in progress when a candidate dies or withdraws, all first choices for that candidate shall be disregarded, but the second choices on those first choice ballots shall be credited to the appropriate candidates.

e. The preceding provisions of this Section are applicable only until such time as the ballots have been received and counted; thereafter, a person unable to assume office at the beginning of the term shall be replaced according to the provisions of these Standing Rules.

Sec. 15.

Vacancies in Office

a. A vacancy in any office filled by vote of the Council, except on the Council Policy Committee, shall be filled by the Council for the unexpired term of said office as soon as practicable after the vacancy occurs. If the unexpired term is less than one year, the vacancy shall be filled by election for a period equal to the unexpired term plus a full term as specified in these Standing Rules. For purposes of determining eligibility for self-succession, this combined period of service shall be construed equivalent to a regular full term.

b. A vacancy in the office of District Director, if the unexpired term is more than one year, shall be filled for the unexpired term by vote of the members in the District affected as soon as practicable after the vacancy occurs. If the unexpired term is one year or less and time permits, the vacancy shall be filled as soon as practicable for the period of the unexpired term plus a full term by vote of the members in the District affected as specified in these Standing Rules. If insufficient time is available to conduct the election of a District Director by vote of the members of the District affected, then the District Director shall be selected by vote of the Councilors in the District affected but shall serve only for the period of the unexpired term.

c. A vacancy in the office of President-Elect shall be filled as soon as practicable after the vacancy occurs by ballot of the Council from among the other nominees in the previous election and any petition candidates.

d. Nomination for any vacancy shall be made in accordance with these Standing Rules pertaining to nominations for the office concerned.

e. A vacancy in any office filled by vote of a Local Section or Division shall be filled in accordance with its bylaws by the Local Section or Division concerned as soon as practicable after the vacancy occurs. Such changes in office shall be reported promptly to the Chief Executive Officer. Any vacancy in the position of Councilor or Alternate Councilor shall be filled for the remainder of the unexpired term in one of the following manners: (1) in a predetermined order of succession as provided in the bylaws of the Local Section or Division from among Alternate Councilors and/or unsuccessful candidates for these positions, (2) by means of a special

election, or (3) at the time of the next annual election. If the third option is used, the vacancy may be filled until the next annual election by appointment by the governing body of the Local Section or Division.

Sec. 16.

Eligibility

- a. Incumbency of one office shall not render anyone ineligible to another, except as provided in this Section.
- b. If any MEMBER who is already a Councilor or Director shall be elected to an office which includes ex officio membership on the Council or Board of Directors, acceptance of such office shall be considered to involve resignation of the former position as Councilor or Director, and the position thus vacated shall be filled in the manner prescribed in these Standing Rules.
- c. Irrespective of other provisions of these Standing Rules, no nominee shall become a candidate unless the nominee has indicated in writing a willingness to serve if elected. It shall be the responsibility of the group submitting a nomination to the Chief Executive Officer or to the Council to present to the Chief Executive Officer, prior to balloting, evidence that the nominee is willing to serve if elected.

Sec. 17.

Tie Vote

- a. In the event of a tie vote among the winning nominees in the selection process of candidates for any elective office, all nominees involved in the tie shall be placed on the ballot as candidates.
- b. Tie votes in the election of President-Elect and Directors shall be resolved by a ballot of the Council.
- c. Tie votes for any office in an annual election of a Local Section or Division shall be resolved in accordance with its bylaws by its governing body, or by vote of its members either at an election meeting or by ballot.

Sec. 18.

Requirements for Balloting

- a. In balloting for President-Elect, District Director, and Director-at-Large, biographies and statements for all candidates and nominees, as appropriate, shall be conveyed with the ballots if they are received by the Chief Executive Officer at least thirty days before the scheduled date for distributing the ballots.
- b. The Committee on Nominations and Elections shall set and announce in advance of the balloting for President-Elect, District Director, and Director-at-Large the interval during which ballots must be received to be counted; this interval shall be not less than four nor more than seven weeks following distribution of the ballots.
- c. For all SOCIETY balloting the Committee on Nominations and Elections shall establish and submit to the Council Policy Committee for their approval balloting procedures that meet the requirements of (1) fair balloting that is open to all eligible members of the SOCIETY, (2) anonymity, (3) protection against fraudulent balloting, (4) ballot archiving, and (5) the timely reporting and archiving of balloting results.
- d. The Chief Executive Officer and at least one member of the Committee on Nominations and Elections shall together be responsible for the counting of ballots received within the interval and shall certify the results.

Sec. 19.

Procedure for Special Elections

If, in a specific nomination or election, circumstances do not permit the procedures prescribed elsewhere in these Standing Rules to be carried out, the Committee on Nominations and Elections shall forthwith devise a special procedure. If such election will have the effect of filling an office for a longer period than six months, the special procedure shall include an opportunity for nomination of candidates by petition, which differs from the regular procedure for the office involved only in the date that petitions must be received by the Chief Executive Officer. Such procedure shall be sent to and publicized promptly by the Chief Executive Officer, and used for that specific nomination or election.

Sec. 20.

Fair Election Procedures

All elections and election campaigns for office in the SOCIETY, its Local Sections, and its Divisions shall be carried out according to the following:

- a. No funds of the SOCIETY, its Local Sections, or its Divisions shall be used to support or to oppose the candidacy of an individual or group of individuals. No facilities, such as office space, equipment, or supplies; official letterhead; or mailing permit of the SOCIETY, its Local Sections, or its Divisions shall be used to support or oppose the candidacy of an individual or group of individuals, except as provided in this Section.
- b. If space in a SOCIETY, Local Section, or Division publication, other than a paid advertisement at commercial rates, be used to support or to oppose the candidacy of an individual, space must be made available simultaneously and equally to support or to oppose the candidacy of every other candidate for the same office.

Standing Rules

c. For the purpose of distributing campaign material, candidates for office shall have the right to use the membership list of those members eligible to vote for that office. All costs associated with preparation and use of the distribution lists shall be borne by the candidate.

d. The Chair of the Board will ensure equity in the number of committee assignments given to each member of the Board. The term for service for those appointed to a Board-Member-Only Standing Committee shall be one year, and they may serve on one or more of these committees up to the length of their service on the Board. The term for service on other Board Standing Committees shall be three years. The Board recognizes that differences in the nature and duties of Standing Committees support variances in their term limitations; however, unless otherwise specified herein or by the Board, no one shall serve more than three successive terms on the same Standing Committee. Unless otherwise specified by the Board, the Chair of the Board annually shall designate the chair of each committee. (12/2/16)

The Board may delegate to any of its Standing Committees or to any Society Committee reporting to the Board, authority to act for the Board in specified matters. The Board may authorize specific grants within the amounts made available for such purposes upon recommendation of the Committee. Efforts shall be made by the proposing unit to have an appropriate SOCIETY unit review and approve each draft statement prior to submission to the Board for official approval, according to the mechanism described below. Input shall be sought from divisions and interested scientific organizations by the person or group drafting the statement. The proposed statement shall be submitted to the Chief Executive Officer or designee, who shall have primary responsibility for processing the statement to gain official ACS approval as follows. (12/2/16)

The Chief Executive Officer will determine whether the proposed statement is in conflict with an existing Board of Directors' policy or position, pre-empts the policymaking authority of another SOCIETY body, or is reasonably likely to impact the mission or activities of another SOCIETY body. The Chief Executive Officer will acknowledge receipt of the proposed statement to the originator. If any of the

forementioned issues is found to exist by the Chief Executive Officer, the Chief Executive Officer will notify the Board of Directors of the interpretation and the Board will vote on whether to confirm the Chief Executive Officer's interpretation. (9/30/11)

(12/2/16)

Copies of proposed statements on public matters shall be sent to all members of the Board for comment, but the Committee shall determine whether to accept substantive changes. If major changes are requested by or of the Committee, informal discussions among the Committee Chair, the authors and/or the chair of the cognizant unit(s), and staff shall be held to seek resolution of the differences of opinion. The Board authorizes the Chair of the Board, the President of the SOCIETY, and the Chair of the Committee on Public Affairs and Public Relations, with the advice of appropriate staff, acting in concert, to determine the appropriate manner for the handling of issues that fall outside the scope of the Public Policy Priorities. (12/4/04)

20. *Board of Trustees for the Group Insurance Plans.* The powers, duties, and operations of the Board of Trustees for the Group Insurance Plans, ACS Members, are as specified in the agreement of trust, as adopted on December 8, 1985 and amended from time to time. (4/4/08)

If terms are not specified in the action creating a Special Committee, they shall be for one year. Special Committees will be discharged upon completion of their specific assignment. (12/2/16)

22. *Conflict of Interest.* Whenever any business matter, which is to be considered by Board-related bodies, Officers of the SOCIETY, or Key Employees as defined by the Internal Revenue Service in its Form 990, involves activities or information that might directly or indirectly place a participant

in a special conflict of interest, then the affected individual should consult with the General Counsel. If the General Counsel determines that a direct or indirect conflict of interest exists, then the individual shall refrain from participating in the consideration of, or any voting upon, such matter. All Officers of the Society, Key Employees, and members of the Board, the Committee on Budget and Finance, and such other Board-related bodies as the Board may determine ("covered individuals"), shall complete and sign conflict of interest disclosure forms annually and provide them to the General Counsel for review and advice. The General Counsel's form shall be submitted to the Chief Executive Officer for review. (6/5/21)

PRF Applications and National Awards. In order to avoid the appearance of a conflict of interest, the name of a current member of the Board may not appear as a principal investigator on a proposal for a grant-in-aid from the AMERICAN CHEMICAL SOCIETY Research Fund, nor should a Board member participate in the process of nominating or seconding an individual or group for any ACS national award. (12/2/16)

23. *Compensation of Current and Former Board Members.* Except as provided in this Regulation, no voting Board member may receive, be offered, or earn compensation as a full or part-time employee, consultant, or contractor of the AMERICAN CHEMICAL SOCIETY during service on the Board and for a period of twenty-four months after ending that service. Annual compensation which does not exceed the IRS limit required for classification as an independent director (less than \$10,000 in 2016) will be allowed, upon disclosure to the Board of the compensation amount, for (1) short-course instruction; (2) career workshop presentation; (3) service as an editor-in-chief, associate editor, or senior editor of a SOCIETY publication; (4) SOCIETY leadership facilitation for non-SOCIETY audiences; and (5) compensation arrangements which were in place prior to election to the Board. Any other exceptions to this prohibition will require the affirmative vote of two-thirds (2/3) of those Board members eligible to vote. The Board member seeking the exception shall refrain from voting on his or her request. (12/2/16)

II. DEFENSE OR INDEMNIFICATION, ADVANCE OF EXPENSES, AND LIMITATION OF LIABILITY

To the fullest extent permitted by applicable law, a Director shall have no personal liability to the SOCIETY or its members for monetary damages for any action or inaction as a Director except for: (i) the amount of any financial benefit of, or intended for, the SOCIETY which the Director has wrongfully taken or received; (ii) intentional infliction of harm; (iii) gross negligence, or (iv) willful misconduct. To the fullest extent permitted by applicable law, the SOCIETY shall defend or indemnify any Director or officer, and may defend or indemnify any employee or agent, of the Society, or a person who was serving in such capacity for another entity at the SOCIETY's request, who was or is, in such person's capacity as a Director, officer, employee or agent of the SOCIETY, a defendant or who is threatened with being made a defendant to any legal action, suit, investigation, administrative action or proceeding ("Proceeding") (other than a Proceeding by or in the right of the SOCIETY) against reasonable expenses incurred in connection with the defense of such Proceeding, except in relation to matters that such person has been adjudged liable for gross negligence or willful misconduct in the performance of duties to the SOCIETY. A determination as to whether defense or

Regulations

indemnification of an employee or agent is appropriate shall be made by a majority vote of disinterested Directors even if such Directors do not constitute a quorum. The SOCIETY may advance expenses to, or may itself undertake the defense of, any Director, officer, employee or agent; provided, however, that such person shall repay or reimburse such expenses if it should be ultimately determined that he or she is not entitled to defense or indemnification. The provisions of this Regulation shall not be exclusive or in limitation of any other rights to which Directors, officers, employees, or agents, may be entitled. (12/2/16)

III. EMPLOYEES

1. *Authorization of Staff Positions and Salaries.* The Board shall determine salaries for the Chief Executive Officer, the Secretary, and the Treasurer of the SOCIETY and, subject to its review and the advice of the Standing Committee on Executive Compensation, approve recommendations of the Chief Executive Officer for salaries of other heads of staff divisions reporting directly to the Chief Executive Officer. The Board delegates to the Governing Board for Publishing the authority to review the performance of and approve salaries for CAS and Publications Division senior executive employees, with the exception of the Presidents of CAS and of the Publications Division. (12/2/16)

2. *Other Staff.* The appointment of all salaried employees other than those covered above and the determination of their salaries, shall, in accordance with the Constitution, be the responsibility of the Chief Executive Officer or his or her designee. (12/2/16)

3. *Designation of Nonvoting Councilors.* By joint action of the Council Policy Committee and the Executive Committee of the Board under the provisions of the Bylaws and Standing Rules, the incumbents in the following positions have been designated to serve as nonvoting Councilors: Treasurer, heads of each major staff division of the SOCIETY, Editor of the official organ of the SOCIETY, and the non-Councilor Chairs of Society Committees. (6/5/21)

IV. FINANCE

1. *Authority for Contracts and Expenditures.*

The approval of all expenditures for the goods and services required for the conduct of the affairs of the SOCIETY as provided in the approved annual budget and actions of the Board, and of all contracts for such expenditures, shall be the responsibility of the Chief Executive Officer, who shall formulate written policies regarding expenditures and contracts and may delegate such of these actions as deemed appropriate to officers or members of staff. (12/2/16)

All contracts and documents obligating the SOCIETY to expenditures or the commitment of the SOCIETY's name must be documented in writing; and the terms of these contracts must be approved by individuals having appropriate levels of delegated authority and knowledge to make such commitments pursuant to the written expenditures and contracts policy and must be consistent with approved budgets. (12/13/20)

Any document or contract that requires the signature of an officer may be signed by the Chair of the Board, Chief Executive Officer, Secretary, or Treasurer of the SOCIETY. Any authorized contract that does not require the signature of an officer of the SOCIETY may be signed by a member of the

staff authorized by the Chief Executive Officer pursuant to the expenditures and contracts policy. (12/2/16)

Any and all contracts of employment between the SOCIETY and its employees or prospective employees that are intended to create or to express anything other than an "at will" relationship shall be approved in advance of execution by the Board. (8/21/04)

2. *Executive Initiatives.* There shall be established in each annual budget of the SOCIETY a fund of up to \$250,000 to be used at the discretion of the Chief Executive Officer for funding unbudgeted items. Reports on the use of the fund shall be provided annually to the Board. (12/13/20)

There shall be established in each annual budget of the SOCIETY, funds for the operation of the offices of the President-Elect, President, and Immediate Past President in the amounts of \$40,000, \$175,000, and \$40,000, respectively, for the special expenses incurred by the incumbents of those offices during the specific fiscal years. Such expenses may include costs of officer's travel as an official representative of the SOCIETY; programming at national, regional, or other ACS-affiliated meetings; special task forces and initiatives; and necessary office administration costs. Annual expenditures expected to exceed these amounts (excluding funds raised on behalf of the officers' activities from external sources or unspent from their years as President-Elect or President) or one-time expenditures or initiatives expected in total to exceed \$10,000 require approval in advance by the Board. Any amounts spent by the President or President-Elect from, and in excess of their annual budgets, shall be deducted in equal amounts from their next year's budgets, despite receiving prior Board approval to exceed their budgets. (12/2/16)

3. *"One-Time" Appropriations.* The approval of the Board is not required to redirect funds with an existing budget for "one-time" expenditures if the annual cost is less than \$250,000. Such expenditures may be initiated at any time upon concurrence of the Chief Executive Officer. Any such expenditures shall be reported, for information only, to the Committee on Budget and Finance and to the Board. If such appropriation exceeds \$250,000, it must be evaluated by the Committee on Budget and Finance and presented to the Board for its approval. (6/5/21)

4. *New Program Funding.* The approval of the Board is not required to re-budget funds for new Society programs if the total cost is less than \$500,000 over a three-year period. Such program funding actions may be initiated at any time upon concurrence of the Chief Executive Officer. Any such new programs shall be reported, for information only, to the Committee on Budget and Finance and to the Board. If such new Society program proposal exceeds a budget of \$500,000 over a three-year period, it must be evaluated by the Committee on Budget and Finance and presented to the Board for its approval. (6/5/21)

5. *Insurance.* The Chief Executive Officer and Treasurer are authorized and instructed to maintain appropriate business insurance coverages for the protection of the SOCIETY's directors, officers and employees, and to protect the SOCIETY's assets. This protection will not include coverage for fraudulent and dishonest acts. (12/13/20)

6. *Bank Resolutions.* The Treasurer is authorized and instructed to maintain investment, banking, and other appropriate accounts as are necessary for the proper handling of SOCIETY funds under financial policies approved by the Board. (12/2/16)

7. *Stock Transfer Power.* The Treasurer and Assistant Treasurer(s) are fully authorized and empowered to transfer, convert, endorse, sell, assign, set over and deliver any and all shares of stock, bonds, notes, or other securities standing in the name of or owned by the SOCIETY and to make, execute and deliver, under the corporate seal of the SOCIETY, any and all written instruments of assignment and transfer necessary or proper to effectuate this authority. (12/2/16)

8. *Foreign Currency Risk Management Policy.* It is the policy of the SOCIETY to minimize the impact of adverse foreign currency fluctuations on its competitive position in foreign markets and its financial performance, as measured in US dollars. (12/4/04)

To minimize foreign currency risk, the SOCIETY shall utilize appropriate financial hedge instruments such as forward contracts and currency options. (12/4/04)

The authority and responsibility for managing the SOCIETY's foreign exchange risk shall reside with the Treasurer. The Treasurer, or his/her designee, shall have authority to enter into appropriate financial hedge instruments in order to minimize the foreign currency risk associated with a specific fiscal year's revenue and expenses. The contracts can be for amounts not to exceed the foreign currency forecasts for the specific fiscal year. Contracts that are not entered into to specifically hedge a contractual, firm, or forecasted foreign currency exposure shall be considered speculative, and are prohibited under this policy. (12/13/20)

On an annual basis the Treasurer will report to the Chief Executive Officer on the results of the foreign exchange risk management process. (12/2/16)

9. *The AMERICAN CHEMICAL SOCIETY Petroleum Research Fund.* The Treasurer of the SOCIETY is authorized to maintain separate accounts for the AMERICAN CHEMICAL SOCIETY Petroleum Research Fund ("ACS-PRF") and to segregate and maintain all income and other funds that are generated from its various assets in those separate accounts until monies are disbursed therefrom according to the terms of the Agreement of Transfer dated October 25, 2000. (12/13/20)

V. MEETINGS

1. *Meeting Finances, Shared Responsibility.* When a Local Section, upon the request of the Chief Executive Officer, assists in the organization and operation of a national meeting of the SOCIETY, the responsibilities to be discharged by the Local Section shall be described in detail in writing, and a budget shall be agreed upon between the Local Section and the Chief Executive Officer. Reasonable diligence shall be used by the Local Section to maintain expenditures within budget estimates. Any elaboration by the Local Section of approved and budgeted plans shall be at the expense of the Local Section. Any disagreement between the Local Section and the Chief Executive Officer with regard to financial matters shall be referred to the Board for resolution. (12/2/16)

2. *Funds Contributed for Meetings.* It is the declared policy of the SOCIETY that a Local Section or Sections, on the occasion of providing for meetings of the SOCIETY, shall limit any solicitation of funds to the territory of such Section or Sections.

3. *Papers for Meetings.* The following Regulations for papers presented before national, divisional, regional, or

other major meetings of the SOCIETY supplement pertinent provisions in the Standing Rules:

a. *Authorship of papers* shall be accredited only to individuals and not to companies or laboratories.

b. *Therapeutic Papers.* It is the policy of the SOCIETY to encourage the presentation of chemical papers with pharmacological and physiological aspects, but to discourage presentation, by other than qualified clinical investigators, of papers in which clinical interpretations are the principal contribution. All Divisions and other programming units shall adhere to this policy when determining the acceptability of papers for their meeting programs. The Divisions and other programming units also are urged to exclude from their programs, and especially from any abstracts issued, statements recommending procedures for the treatment of human disease or announcement of any "cures" not confirmed by competent medical authority. Any author contributing a paper that includes discussion of the treatment of human disease must submit for review, by representatives of the appropriate Division or other programming unit, a complete manuscript in addition to an abstract. (12/4/04)

c. *Honoraria.* The payment of an honorarium by the SOCIETY or any of its constituent units to the author(s) of any paper presented at a national, regional, divisional, or other major meeting of the SOCIETY is strongly discouraged, unless the presentation is part of an educational session for which a separate fee is charged. If, in unusual circumstances, the organizers of a meeting consider payment of an honorarium essential, they must obtain prior approval by the Chief Executive Officer, who shall decide each case on its own merits, taking into account the possibility of establishing an undesirable precedent. The Chief Executive Officer may, in any especially difficult case, refer the matter to the Executive Committee of the Board for final decision. For the purpose of this Regulation, awards presented by the SOCIETY or any of its units are not considered honoraria. ACS officers and employees may not personally retain honoraria from non-ACS sources for activities, event appearances, or services provided, that were made in their official ACS capacity, but they may directly transfer the value, or request that such honoraria be donated directly, to an official ACS program or activity. (12/2/16)

4. *Meeting Publicity.* Responsibility for publicity for all major meetings of the SOCIETY rests with the ACS staff office responsible for public affairs. All such publicity shall be released to the press only by or in cooperation with that office. (12/2/16)

5. *Programs for National Meetings.* The official program for a national meeting shall be the schedule of papers that appears on the SOCIETY's website. The Chief Executive Officer shall set deadlines for material to be published in the official program for each national meeting. The Chief Executive Officer shall further establish a deadline beyond which titles and abstracts of papers to be included in the meeting program may not be accepted by Divisional officers and other programming units, and a deadline for submission of their completed programs to the Chief Executive Officer's office. (12/2/16)

6. *Functions Listed in Meeting Programs.* Official meeting programs of the SOCIETY shall not contain notices or records of functions or meetings of non-ACS groups, except by authority of the Chief Executive Officer. (12/2/16)

Regulations

7. *List of Meeting Registrants.* The copying, printing, or publication of any list in whole or in part of the names and addresses of registrants at national, regional, divisional, or other major meetings of the SOCIETY is prohibited, except by authority of the Chief Executive Officer. (12/2/16)

8. *Joint Meetings with Other Organizations.* Guidelines for SOCIETY cosponsorship of meetings shall be established by the Chief Executive Officer and provided by the Secretary to those organizations wishing to cosponsor meetings with the SOCIETY. The Chief Executive Officer is authorized and instructed to ensure that Divisions, Local Sections, and other units comply with the approved guidelines. (12/2/16)

9. *Meeting Cosponsorships and Alliances.* The Board delegates to the Chief Executive Officer authority to approve requests for cosponsorship of meetings and to approve international alliances, whether such requests are cooperative or nominal, when the SOCIETY is to be the sponsor or alliance partner. Cooperative meeting cosponsorship requests and international alliance requests that exceed the financial commitment level specified in Regulation IV, 3 require the additional approval of the Board, upon the recommendation of the Committee on Professional and Member Relations, unless the funds are available for this purpose within an approved budget. (12/2/16)

VI. PUBLICATIONS AND INFORMATION SERVICES

1. *Nature of Publications and Information Services.*

a. *Publications and Information Services.* To carry out the Purposes of the SOCIETY, as stated in the Charter and Constitution, the SOCIETY shall publish information products and services, which shall include the printed publications and digital information services in formats produced by the Chemical Abstracts Service and Publications Divisions of the SOCIETY, and such other SOCIETY publications as may be authorized by the Chief Executive Officer or the Board or the Governing Board for Publishing as its designee. (12/2/16)

b. For any writing of an author published by the SOCIETY in any of its books, journals, or other publications, the SOCIETY shall own the copyright for the original term and any renewal thereof except (1) in the case of a work prepared by an officer or employee of the United States Government as part of that person's official duties, or (2) in the case of a work prepared solely by employee(s) of a foreign country's government, or entity thereof, which reserves copyright as directed by the laws of that country, or (3) in those instances in which the SOCIETY's Chief Executive Officer deems the owning or acquisition of copyright in a given work to be impractical or impossible. The author(s), or employer in the case of a work made for hire, of any writing in which the SOCIETY owns copyright shall have the right to make a nonprofit or noncommercial use of the work provided that the copyright notice used by the SOCIETY is affixed to each copy. The author(s), or employer in the case of a work made for hire, shall have the right to make or authorize any for-profit or commercial use of any such writing only after first obtaining the written consent of the SOCIETY. (10/1/84)

c. Charges for Chemical Abstracts Service shall be fixed by the Board of Directors. In addition to regular charges, the Board of Directors is authorized to set a schedule of reduced charges applying to members of the SOCIETY, colleges, and universities upon conditions specified by the Board. These

reduced charges shall be available only to those who agree to and adhere to conditions laid down by the Board. All such charges shall be published at least once each year in the official organ of the SOCIETY. (1/1/63)

d. Subscription rates for the SOCIETY's periodical publications shall be fixed by the Board of Directors. The Board shall ensure that any changes are reported at the next Council meeting. All rates shall be published at least once each year in the official organ of the SOCIETY. (6/30/97)

e. Any member in arrears for subscription charges for two months, thereafter shall not receive the journals of the SOCIETY until all arrears are paid. (1/1/63)

f. Publications of the SOCIETY shall be made available to all members not in arrears under such conditions as the Bylaws, Standing Rules, and the Regulations of the Board of Directors provide. Publications of the SOCIETY also may be made available to nonmembers under such conditions as the Regulations of the Board of Directors provide. (1/1/63)

g. *Chemical & Engineering News.* Chemical & Engineering News (C&EN) shall be the official organ of the SOCIETY for the dissemination to its members of information about SOCIETY business. (12/4/04)

(1) The Chemical & Engineering News Editorial Board. There shall be a C&EN Editorial Board, of which the Chair of the Society's Committee on Publications shall be the Chair. The Editorial Board shall have a total of seven members. Two of the C&EN Editorial Board members shall be the Chair of the Board and the President of the SOCIETY, or their respective designees chosen from the membership of the Executive Committee of the Board. The remaining four members of the Editorial Board shall be appointed annually and jointly by the Chair of the Board and the Chair of the Committee on Publications, subject to recommendation by the C&EN Editor-in-Chief, provided that at least four of the seven members of the Editorial Board shall be members of the Committee on Publications or Governing Board for Publishing. All members of the Editorial Board shall be expected to keep themselves informed on the operation and published content of C&EN and the Guidelines for its publication. The Editorial Board shall have responsibility for monitoring and reporting on the editorial and related operational performance of C&EN and shall submit its findings to the Committee on Publications annually, along with any recommendations for corrective action(s) as warranted. (12/2/16)

(2) The following shall be the responsibilities of the C&EN Editorial Board: (12/2/16)

(a) The Editorial Board is intended to serve as a communications link among the ACS Board (exercised through the Committee on Publications) and the Editor-in-Chief and staff of C&EN, and to represent the needs and interests of the Society's membership. (12/2/16)

(b) The Editorial Board shall meet at least twice a year, if practicable once at each national ACS meeting. Additional meetings may be scheduled at the discretion of the Chair or at the written request to the Chair by any five members of the Editorial Board. (12/2/16)

(c) The Editorial Board shall advise the Committee on Publications on matters of editorial policy and recommend general operational guidelines for the publication of C&EN. (12/2/16)

(e) The C&EN Editorial Board shall review and assess the effectiveness of C&EN in meeting its objectives. Society member opinion shall be sought and considered. (12/2/16)

(f) The Editorial Board shall receive periodic written status reports (not less than once per year) from the C&EN Editor-in-Chief on current editorial content and features of the periodical. Recommendations for improvement shall be discussed with the Editor-in-Chief and presented in writing to the Committee on Publications as warranted. (12/2/16)

(g) When requested, the Editorial Board shall serve to mediate conflicts and shall be authorized to adjudicate disputes between the C&EN Editor-in-Chief and Society members, Sections, Divisions, or other official units of the SOCIETY. (12/2/16)

h. *Establishment and Termination of Society Publications.*

(1) A Division or a Local Section or any other unit of the SOCIETY may establish a new publication after obtaining the approval of the Board of Directors of the SOCIETY, provided, however, that such approval is not required for a news bulletin. The establishment or acquisition of a new publication to be produced by any unit of the SOCIETY other than Chemical Abstracts Services Division or the Publications Division shall require prior approval of the Board when the topical scientific field of such a publication is covered or could be covered by an existing or potential new publication of the SOCIETY. This Regulation shall not apply to newsletters or a news bulletin issued by Division, Local Section, International Chapter, or ACS staff units. (12/2/16)

(2) Publishing by a SOCIETY Division or Local Section. The approval of the Board shall be required before a Division or Local Section may publish any printed or digital online statement on a subject that concerns a public matter of national import or on a subject area on which Division or Local Section position statements are subject to action by the Chief Executive Officer and/or Board approval, as specified in the Bylaws and elsewhere in these Regulations. (8/21/20)

(3) Publication of New Journals and Information Products. The establishment or acquisition of journals and other new information products by the Publications Division shall require approval of the Governing Board for Publishing, which shall report such approval to the Board and to the Committee on Publications. (12/2/16)

(4) Termination or Divestiture of Journals and Magazines. The termination or divestiture of journals and other information products of the Publications Division shall require approval of the Governing Board for Publishing and shall be undertaken following consultation with the Board. Any such termination or divestiture shall be reported to the Board and to the Committee on Publications. (12/2/16)

2. *Rights and Responsibilities of Editors of SOCIETY Publications.*

a. *General Principles.* The journals and other information products of the SOCIETY shall be edited and published in a manner consistent with the mission and Purposes of the SOCIETY. Toward that end, Editors shall serve as independent contractors engaged by the Society (through its Publications

Division); they and their staffs are expected to show a sense of responsibility toward the SOCIETY membership and the broader global chemistry enterprise, and a sensitivity to the disparate views and interests of the diverse chemists and chemical engineers who constitute the SOCIETY membership, as well as diverse scientists in allied areas of the sciences. Editors are expected to perform their duties so that the published articles and accompanying editorials and other supporting information reflect fairly, fully, impartially, and in balance the known facts involved. Within these limitations, Editors retain final responsibility for editorial decisions relative to the scientific content of their assigned publications, and no attempt shall be made by the Board, its members, its committees, including either the Governing Board for Publishing or the Committee on Publications, to instruct Editors in the day-to-day performance of their editorial responsibilities. Should an Editor's judgment prove to be questionable or is deemed by the Board or the SOCIETY's Committee on Publications to be unacceptable, the Board should replace the Editor rather than attempt to supervise the Editor in the performance of assigned duties. (12/2/16)

b. *Financial Responsibility.* Although Editors enjoy freedom with respect to matters related to scientific editorial content, they are subject to budgetary and other financial limitations as imposed by the SOCIETY, and they likewise must adhere to operational policies and practices enacted by the Publications Division regarding technical aspects of publication, including such matters as the production, marketing, sale, and distribution of their respective publications in various formats and media. Provided that such technical matters do not encroach upon the effective communication of scientific editorial content, this adherence by Editors to policies and practices as established by the SOCIETY shall include but is not limited to such production-related items as print page size and layout and the selection of paper; choice of typefaces; design of online and mobile display formats; and the choice of typesetters, printers, and digital platform vendors and other distribution partners. (12/2/16)

c. *Content of Primary Publications and Research Journals.* Editors of SOCIETY primary (peer-reviewed) research publications shall enjoy freedom with respect to the exercise of editorial prerogatives insofar as they pertain to the selection and scientific content of published articles. (12/2/16)

An editor shall not be subject to nor obligated to accept any recommendation or instruction from the Board, Chief Executive Officer, Governing Board for Publishing, Committee on Publications, President of the Publications Division, or any other officer or employee of the SOCIETY regarding the selection of articles for publication or the content thereof. For sensitive editorial content or matters in which the SOCIETY might be legally responsible for damages, Editors should consult with the President of the Publications Division or the SOCIETY's General Counsel in advance of publication. (12/2/16)

It is presumed that all Editors acting in the capacity of independent contractors of SOCIETY research journals will routinely use best practices of scientific "peer review" as a basis for editorial decisions to accept or reject submissions from authors. Guidelines and recommendations regarding such best practices of scientific peer review may be communicated to the Editor(s) by the SOCIETY Committee on Publications or designated Publications Division staff from time to time. For

Regulations

avoidance of doubt, the respective Editor is solely responsible for assuring that every author submission is provided a fair and equitable review, undertaken in accordance with the Ethical Guidelines to the Publication of Chemical Research, as established by the SOCIETY and updated periodically. (12/2/16)

3. *Setting Subscription Rates and Charges.*

a. *Subscription Rates and other Charges for Periodicals.* Subscription rates and other charges for the sale and licensing of the SOCIETY's periodical publications and other information products of the Publications Division shall be fixed by the Governing Board for Publishing as the designee of the Board. (12/2/16)

b. *Charges for Chemical Abstracts.* Charges for Chemical Abstracts or any component part thereof, and for other publications or services of the Chemical Abstracts Service or other operating divisions, shall be established by the Governing Board for Publishing as the designee of the Board. (12/2/16)

c. *Surcharges for Members Residing Outside the United States.* The Governing Board for Publishing, acting under its authority as the designee of the Board, shall fix the amount of any surcharge to reflect additional mailing or other distribution costs incurred by the SOCIETY in providing delivery of C&EN as the official organ of the SOCIETY to members residing outside the United States, pursuant to the Standing Rules. (12/2/16)

4. *Appointment of Editors.* The Editor of any SOCIETY periodical referenced in Regulation VI, 1, a, or of any proposed periodical covered by that section, shall be appointed in accordance with the following procedures: (12/2/16)

a. The Chief Executive Officer or the President, ACS Publications as designee, shall appoint an Editor Search Committee of not more than ten members, to include at least one member of the Committee on Publications, members of appropriate SOCIETY divisions, and the Editor of one other SOCIETY publication. A given Editor Search Committee member can fulfill more than one of these specific requirements. The President, ACS Publications, shall designate an ACS Publications staff member to serve as a staff liaison to the search committee, who will serve in an ex officio advisory (non-voting) capacity. (12/2/16)

b. The Editor Search Committee shall function as a canvassing committee and shall assemble a recommended list of candidates, in order of priority. (12/2/16)

c. The Chair of the Editor Search Committee is empowered to approach the candidate of highest priority and to secure indication of a general willingness to serve, in which case the chair shall transmit to the ACS Publications staff liaison the name of this individual for recommended approval by the Board via the Chief Executive Officer. (12/2/16)

d. If the Board approves the candidate name transmitted, the President, ACS Publications, shall be authorized to make the formal contractual engagement of the new Editor. The Editor shall serve in the capacity of an independent contractor to the Society's Publications Division, responsible to the Board. (12/2/16)

e. Should the highest priority candidate indicate unwillingness to serve, or should the Board not approve the candidate recommended, the Editor Search Committee chair is

empowered to approach the next highest priority individual on the candidate list as specified herein. (12/2/16)

f. The Editor shall be responsible to the Board. (6/5/76)

5. *Reappointment of Editors.*

a. Editors of periodicals published by the SOCIETY shall be appointed in accordance with Regulations adopted by the Board of Directors. The Editor of any SOCIETY periodical referenced in this Regulation, upon the expiration of a term of appointment, may be reappointed by the Board on recommendation of the Committee on Publications. The recommendation should include clear evidence that the Editor has adhered to the general principles described above and, further, has demonstrated appropriate fiscal responsibility consistent with high scientific editorial standards. Term lengths of contractual reappointment may be from 1-5 years in duration; although no mandatory term limits are imposed by the SOCIETY, in instances where service is recommended for more than three (3) consecutive terms, the consensus recommendation from the Committee on Publications should be accompanied by a comprehensive monitoring report on the editorial standing of the publication in comparison to its competitors, highlights of recent editorial accomplishments of significance, documentation that the Editor remains actively engaged in scientific research, and supported by a strategic editorial vision for the publication that is deemed to be in keeping with the needs of its intended audience. (12/2/16)

b. The Editor shall be responsible to the Board. (6/14/98)

6. *Associate Editors and Editorial Advisory Boards.* The principal Editors of publications of the SOCIETY are authorized to appoint such Associate Editors to assist in the conduct of scientific peer review and editorial decision-making, subject to prior written approval by the President, ACS Publications or such individual's designee, whose advice and guidance should be sought prior to the Editor making any contractual representations or discussing possible financial commitments to be made by the SOCIETY. Such appointments should be undertaken with consideration given to periodic rotation of appointees and achieving appropriate topical expertise and diversity of gender, ethnic, and global representation for the respective publication. The Editors of publications of the Society are also authorized to appoint members of Editorial Advisory Boards, or other editorial associates serving without compensation as advisors, as deemed by them to be necessary for the proper discharge of their responsibilities, provided that such appointees be selected with proper regard to the various scientific interests and topical fields covered by the publications and information services, and that provisions be made for periodic rotation of membership on such boards in order that new viewpoints may be represented, and appropriate gender, ethnic, and global geographic diversity be achieved. All such appointments described in the foregoing shall be reported to the Governing Board for Publishing and to the Committee on Publications. (12/2/16)

7. *Use of Membership Lists.* Permission to use the membership list of the SOCIETY, any Division, or any Local Section may be granted internally or to an outside organization, provided the following conditions are met: (12/17/00)

a. that the Chief Executive Officer or authorized designee approve each proposed use and the terms of said use, and, in addition, for the separate use of a Local Section or

Division list, that the executive committee of that unit similarly approve; (12/2/16)

b. that each Division and Local Section individual member must consent to be included in a print directory. Only those members who indicate a positive response with a list of allowable contact information may be included in the directory; (12/17/00)

c. that each Division and Local Section Web directory adhere to the same process as for print directories. Any Web directory must be hosted on the SOCIETY server. Each directory must be password-protected using the same rigorous security standards as in other areas of the SOCIETY; (12/17/00)

d. that the name of an individual member shall, upon request, be excluded from any controlled use; (1/1/84)

e. that substantial and effective safeguards be built into the process to assure protection of the SOCIETY membership list from theft and unauthorized use; and (1/1/84)

f. that the user permit use of its mailing list by the SOCIETY on a reciprocal basis, should the SOCIETY request it. (1/1/84)

Notwithstanding the above conditions, inclusion of basic member information in a Society-wide online membership directory (ACS Network) shall occur after each member is informed unless a member chooses not to participate. (8/14/09)

8. *Reprinting.* Editors of SOCIETY publications shall have the right to grant permission for limited reproduction from the publications for which they are responsible provided that adequate credit is given to the source. Requests for extensive reprinting are subject to approval by the Chief Executive Officer. (12/2/16)

9. *Preprints.* Print or digital copies of papers presented at a national or other meeting of the SOCIETY may be distributed by a Division for the convenience of its members and affiliates, provided that the following conditions are met: (12/2/16)

a. Preprint(s) issued by a Division shall not preclude eventual publication in one of the publications of the SOCIETY; provided, however, that each Editor of the publications of the SOCIETY shall have sole discretion to enact and enforce "prior publication" policies regarding the eligibility for subsequent peer review and publication of any author's submission of a work that previously has been publicly disclosed in whole or in part as a preprint, in either print or digital form. (12/2/16)

b. Preprints issued by a Division shall be copyrighted in the name of the SOCIETY and shall carry the necessary copyright information. (4/4/65)

10. *Business Management.*

The Chief Executive Officer is authorized and directed to handle all matters pertaining to the business management of the SOCIETY's publications not covered by specific Regulations, and to report thereon to the Board at least once in each calendar year. (12/2/16)

11. *Character of Advertising.*

It is the policy of the SOCIETY to accept primarily technical advertising intended for insertion in its publications that is related to chemicals, raw materials, industrial products, supplies, and equipment, and advertising that is related to natural resources, transportation, communication, and business services and equipment. The SOCIETY hereby reserves the

right to accept or reject any advertising of any nature at all times. (12/4/04)

12. *Testimonial Form of Advertising.*

The SOCIETY, as part of its policy of encouraging the distribution of scientific knowledge, differentiates clearly between the publishing of scientific information or technical data on the one hand, and testimonials or uncritical or inadequately supported statements on the other. Therefore, the SOCIETY disapproves of chemists' or chemical engineers' lending their names or support to the testimonial form of advertising, disallows any reference to the AMERICAN CHEMICAL SOCIETY in published statements of the testimonial type, and disapproves of statements that impose on the public's confidence in the chemical profession. (12/4/04)

VII. MISCELLANEOUS

1. *Headquarters.* The headquarters of the SOCIETY shall be in Washington, D.C., and the address of the office of the Chief Executive Officer shall be the official address of the SOCIETY. (12/2/16)

2. *Seal.* The SOCIETY shall have a seal which shall consist of the device of a circle with the word "Seal" in the center surrounded by the words "AMERICAN CHEMICAL SOCIETY" arranged within the perimeter. (1/1/48)

3. *Use of SOCIETY Name and Insignia.* The name and insignia of the AMERICAN CHEMICAL SOCIETY may be reproduced in the form as described in the SOCIETY's Constitution and as further specified in the ACS branding guidelines provided that: (12/2/16)

a. the use of the name and insignia is for purposes of the SOCIETY, its officers, Local Sections, Divisions, International Chemical Sciences Chapters, Committees, Technician Affiliates, or Student Chapters, (6/30/09)

b. the use of the name or the insignia of the SOCIETY is not used to provide official endorsement of commercial businesses, products, or services, although permission may be granted by the Chief Executive Officer to use the ACS name in a list of a preferred vendor's clients, and (12/2/16)

c. any design using the insignia does not show the insignia in contact with, or overlaid by, other graphics, or does not show the insignia smaller than, or in an inferior relationship to, other insignias. (4/5/92)

Express permission of the Board shall be required in any other instance where the name and insignia are proposed to be used, including situations where the insignia may be modified, altered, or adapted, and all situations where the user is other than the SOCIETY, its officers, or one of the aforementioned SOCIETY bodies. Where express permission is required, requests shall be submitted to the Board through the Chief Executive Officer. (12/2/16)

d. *Insignia.* The Chief Executive Officer, with advice from appropriate Council, Society, and Board Committees, is authorized to procure, fix rules for distributing, and make available to members, STUDENT MEMBERS, and Society Affiliates of the SOCIETY the emblem of the SOCIETY in such sizes and forms as the Chief Executive Officer deems desirable and for which there is reasonable demand. Any changes in style of the emblem shall be approved by the Board. (12/2/16)

f. All publications, products, services, and programs of the SOCIETY and their marketing and promotional

Regulations

communications shall clearly be identified as being provided by the AMERICAN CHEMICAL SOCIETY, unless the Chief Executive Officer determines that there is a compelling reason for an exemption from these requirements. (12/2/16)

4. *SOCIETY Affiliation with Other Technical Organizations*

a. To foster the Purposes of the SOCIETY, the SOCIETY or its Local Sections or Divisions may affiliate with other technical organizations, provided that such affiliation does not contravene the Charter, Constitution, Bylaws, Standing Rules, or Regulations of the SOCIETY. (8/21/20)

b. SOCIETY affiliations of less than one year duration shall become effective upon authorization by the Board of Directors. SOCIETY affiliations of one year or longer in duration shall become effective upon authorization by the Board of Directors subject to confirmation by the Council. (10/4/99)

c. Any SOCIETY affiliation shall terminate after five years unless reauthorized by the Board of Directors. The term of each subsequent reauthorization shall not exceed five years. (10/4/99)

d. The above subsections shall not apply to contracts entered into by the SOCIETY or its Local Sections or Divisions in the ordinary conduct of business. (10/4/99)

5. *Contributions.* As a matter of policy, the AMERICAN CHEMICAL SOCIETY does not contribute SOCIETY funds to health, welfare, civic organizations or other organizations that do not directly help advance the Society's Objects, specifically, or science, technology, engineering, and mathematics ("STEM"), generally. Within the limits of his or her Initiative Fund, the Chief Executive Officer is authorized to make modest contributions (up to \$10,000) to organizations and initiatives in furtherance of those objects, or of advancing STEM. Contributions to these organizations and initiatives from the Chief Executive Officer that exceed \$10,000 require approval of the Board. (12/2/16)

6. *Disposition of Old Files.* The officers and heads of SOCIETY activities for which funds are budgeted by the SOCIETY are authorized and instructed to destroy from time to time, at their discretion but in accordance with retention schedules approved by the Chief Executive Officer, old and useless papers not of permanent value. Unless other requirements apply or otherwise specified by the Board, the period of retention of files is seven years. (12/2/16)

VIII. AMENDMENT OF BOARD REGULATIONS

These Regulations may be amended by two-thirds (2/3) affirmative vote of the Board members voting. (12/2/16)

Guidelines for Preparing Petitions to Amend the SOCIETY's Constitution and/or Bylaws

These guidelines are from the Committee on Constitution and Bylaws (C&B) to help you prepare a petition, including an Explanation, to amend the Society's Constitution and Bylaws. Contact C&B with any questions: bylaws@acs.org.

PRELIMINARY WORK.

- a. Proposed Changes. Use the most recent edition of the ACS Governing Documents (<http://www.acs.org/govdocs>) to search it in case other Constitution Articles, Bylaws, and/or Standing Rules might also need to be changed.
- b. Consult with Appropriate Committees and Staff of the SOCIETY. Consider how the proposed changes might affect other operations/areas of the Society. Before you collect signatures, consult with and provide a draft to all such committees and staff to identify potential issues.

PREPARING THE PETITION.

- a. Style and Language. Include in the petition text from the Constitution and/or Bylaws that pertains to your proposed changes. Indicate amendments either by striking through words and punctuation to be deleted and underlining and bolding words to be added, or by using Track Changes. Use the Society's conventions: 1) see the definitions of MEMBER vs. STUDENT MEMBER; "member" includes both categories; 2) use initial capital letters for officers, e.g., President and Councilor; 3) use official committee names, e.g., Committee on Divisional Activities (not DAC), etc. See other petitions in the Council agendas as examples.
- b. Explanation. Petitions must include a clear, complete, and concise Explanation that explains why the petition is submitted and reflects the intent of the petitioners. The Explanation is critical in the consideration of the petition by Councilors and members of the SOCIETY committees. Remember that the Explanation is not included in the Constitution and Bylaws.
- c. Consistency and Legality. Submit separate petitions for unrelated amendment(s). Send your draft to C&B at bylaws@acs.org for a preliminary review, preferably one month before the petition deadline. C&B will check if your petition is legal and consistent with the ACS Governing Documents.

OBTAINING SIGNATURES

- a. The number of signatures required is not fewer than 10 voting Councilors or not fewer than 25 members of the SOCIETY, per Constitution Article XIII. We suggest that you get a few more signatures than the required number in case one or more might be declared invalid. Getting an excessive number of signatures impedes the processing of the petition.
- b. Individuals are voting Councilors only if they hold office on the date that the petition is received by the Chief Executive Officer of the Society. Only members (not affiliates) of the Society may sign the petition. Signatures from those who are Society Affiliates, Local Section Affiliates, and Division Affiliates are not acceptable and will be considered invalid.
- c. Signatures must be submitted either on a copy of the petition or on a signature page that includes the name of the petitioner, the same date that's put on the petition, and lines for Signature, Printed Name, Date Signed, and Yes/No to indicate if the person is a voting Councilor. Blank signature pages are available from C&B bylaws@acs.org.
- d. Valid Signature. A signature will be considered valid on a petition, which includes the same date as the signature page, if it is submitted by the petition deadline via email but only if the email includes a scanned signature, or by mail or fax. Proxies will not be accepted.

SUBMITTING THE PETITION

- a. Deadline. Valid petitions must be received by the Chief Executive Officer of the SOCIETY not less than sixteen weeks before the Council meeting at which the petition is to be presented for consideration per Constitution Article XIII. Submit the petition and all signatures together by either email to bylaws@acs.org or by mail or fax.
- b. After Submission. C&B will finalize the title of the petition and will prepare the petition as it will appear in the Council agenda. Petitioners will receive the petition for consideration, including the preliminary reports from B&F and C&B, and will receive the petition for action, including their final reports. The primary person who represents the petitioners will be invited to meet with C&B at the ACS national meeting at which the petition is up for consideration. Petitioners or opponents of the petition may submit comments or suggested changes to C&B, but not later than thirty days following the Council meeting at which the petition was presented for consideration.
- c. Financial Impact. After the petition has been submitted, C&B will contact appropriate staff to get B&F's assessment on how the proposed changes will impact the finances of the Society.

American Chemical Society

Volunteer/National Meeting Attendee Conduct Policy

One of the key strengths of the ACS has been the enduring and varied contributions made by its thousands of dedicated volunteers.

Another unassailable strength of the ACS is its outstanding national meetings program. ACS national meetings are among the most respected scientific meetings in the world. ACS national meetings offer scientific professionals a legitimate platform to present, publish, discuss, and exhibit the most exciting research discoveries and technologies in chemistry and its related disciplines. Furthermore, ACS national meetings facilitate networking opportunities, career development and placement, and provide organizations with opportunities to exhibit products and services to targeted audiences.

The Society's Congressional Charter explicitly lists among its objectives "the improvement of the qualifications and usefulness of chemists through high standards of professional ethics, education and attainments...." The ACS expects its volunteers and national meeting attendees to display the highest qualities of personal and professional integrity in all aspects of their ACS-related activities. Indeed, every chemical professional has obligations to the public, to volunteer and staff colleagues, and to science.

Accordingly, and to foster a positive environment built upon a foundation of trust, respect, open communications, and ethical behavior, the ACS Board of Directors has issued this Conduct Policy. It applies to ACS Volunteers, i.e., it applies to individuals conducting the business and affairs of the ACS without compensation for that conduct. It also applies to attendees at ACS national meetings. Volunteers and national meeting attendees should at all times abide by this Conduct Policy. Specifically:

1. Volunteers should understand and support ACS's vision and mission.
2. Volunteers and national meeting attendees should contribute to a collegial, inclusive, positive, and respectful environment for their fellow volunteers and attendees, as well as for other stakeholders, including national meeting vendors and ACS staff.
3. Volunteers and national meeting attendees must avoid taking any inappropriate actions based on race, gender, age, religion, ethnicity, nationality, sexual orientation, gender expression, gender identity, marital status, political affiliation, presence of disabilities, or educational background. They should show consistent respect to colleagues, regardless of the level of their formal education and whether they are from industry, government or academia, or other scientific and engineering disciplines.
4. Volunteers and national meeting attendees should interact with others in a cooperative and respectful manner. Volunteers and national meeting attendees should refrain from using insulting, harassing, or otherwise offensive language in their ACS interactions. Disruptive, harassing, or inappropriate behavior toward other volunteers, stakeholders, or staff is unacceptable. Personal boundaries set by others must be observed. Harassment of any kind, including but not limited to unwelcome sexual advances, requests for sexual favors, and other verbal or physical harassment will not be tolerated.
5. Volunteers must obey all applicable laws and regulations of the relevant government authorities while acting on behalf of the ACS. Likewise, national meeting attendees must obey all applicable laws and regulations of the relevant government authorities while attending ACS national meetings. Volunteers and national meeting attendees alike should also ensure that they comply with all applicable safety guidelines relating to public chemistry demonstrations.
6. Volunteers and national meeting attendees should only use ACS's trademarks, insignia, name, logos, and other intellectual property in compliance with ACS regulations and directives as may be issued from time to time.
7. Violations of this Conduct Policy should be reported promptly to the ACS Secretary and General Counsel or to the Chair of the ACS Board of Directors. In cases of alleged persistent and/or serious violations of this Conduct Policy, the Board shall review the evidence and shall take such actions as may be appropriate, including but not limited to requiring volunteers to leave their volunteer position(s); precluding volunteers from serving in Society volunteer roles in the future; requiring national meeting attendees to leave the meeting; and, precluding meeting attendees from attending future ACS national meetings. ACS, through its Board of Directors, reserves the right to pursue additional measures as it may determine are appropriate.

Adopted by the Board of Directors 12/6/13
