(1) Each Local Section shall have at least one Councilor. (1/1/64)

(2) The total number of Councilors representing the larger Local Sections shall be not fewer than 280 or more than 320. A larger Local Section is defined as one in which the number of members is equal to or greater than one-half the constant defined elsewhere in this Bylaw. (1/1/64)

(3) The number of Councilors authorized for each of the larger Local Sections for a four-year period beginning in a year divisible by four shall be determined by dividing the number of members of the Local Section (official count of December 31 of the second preceding year) by a constant (divisor). The number of Councilors so determined shall be equal to the whole number of the quotient plus one for any fraction in the quotient equal to or greater than 0.550; for a Local Section to lose a Councilor
position once it has been authorized, the fraction must become equal to or less than 0.450. The divisor shall be established by the Council Policy Committee prior to May 1 of the first preceding year, and its value shall be such that the total number of Councilors from the larger Sections shall be within the limits set elsewhere in this Bylaw. (12/7/86)

(4) The Secretary of each Local Section shall certify to the Executive Director of the SOCIETY not later than December 1 of each year, much earlier if possible, the names, addresses, and terms of the elected Councilors from said Local Section for the ensuing year and shall name the individual or individuals to be disqualified if the Section’s representation is reduced as a result of the official determination of representation provided elsewhere in this Bylaw. (11/23/71)

b. Councilors Elected by Divisions

(1) The number of Councilors authorized for each Division for a four-year period beginning in a year divisible by four shall be determined from the number of paid members of the Division (official count of December 31 of the second preceding year). Prior to May 1 of the first preceding year, the Council Policy Committee shall select a cut-off figure, \( n \), such that Divisions with up to \( n \) members shall have one Councilor, those with \((n+1)\) to \(2n\) members shall have two Councilors, those with \((2n+1)\) to \(3n\) shall have three Councilors, and those with greater than \(3n\) shall have four Councilors. (12/11/88)

(2) The Secretary of each Division shall certify to the Executive Director of the SOCIETY not later than December 1 of each year, much earlier if possible, the names, addresses, and terms of the elected Councilors from said Division for the ensuing year and shall name the individual or individuals to be disqualified if the Division’s representation is reduced as a result of the official determination of representation provided elsewhere in this Bylaw. (3) All communications sent to Councilors also shall be sent to Alternate Councilors, but the latter shall not receive ballots. (10/19/04)

(4) In the event a Councilor is unable to attend a Council meeting, the Local Section or Division shall select, in a manner to be determined by the Local Section or Division, an individual from the list of Alternate Councilors furnished by the Local Section or Division in accordance with Section 1, e, (2) of this Bylaw, to serve as Councilor only at said Council meeting or recessed sessions thereof, with power to act on behalf of said Councilor. To gain admission to the Council meeting, said Alternate Councilor shall present a certificate signed by the Secretary of the Local Section or Division certifying that said Alternate Councilor is to substitute for said absent Councilor. (6/8/91)

(5) There shall be no alternates for Ex Officio Councilors, provided, however, that each Ex Officio Councilor, if absent, may send a representative to report to the Council and to report the meeting to the Ex Officio Councilor. (6/8/91)

f. Temporary Substitute Councilors

If every Councilor and Alternate Councilor of a given Local Section or Division will be absent from a Council meeting, and thus leave the Local Section or Division without representation at such meeting, the Local Section or Division may designate one of its MEMBERS as a fully accredited Temporary Substitute Councilor, with power to vote, to represent the Local Section or Division at that one Council meeting. In such case, the Executive Director must be notified at least fifteen days in advance of the

a. The Committee on Nominations and Elections shall ensure that in each election for the offices of President-Elect, Director-at-Large, and District Director, there shall be at least two candidates for each position to be filled. If the number of candidates falls below two, the Committee on Nominations and Elections shall add the name next in line from the same candidate selection process. (1/1/01)

b. Should such a deficiency of candidates for a specific elective office occur after the ballots have been sent and before the established deadline for return of ballots, the Committee on Nominations and Elections shall declare the election void for that particular office. The Committee shall then provide an additional candidate or candidates, if necessary. Provisions shall be made for additional submission and validation of petition candidates. New ballots shall be prepared and the election resumed on a schedule established by the Committee on Nominations and Elections. (10/19/04)

c. Should there be a death or withdrawal of a candidate in an election in which there remain two or more candidates for each position to be filled, the election shall proceed. The Committee on Nominations and Elections shall ensure that the winning candidate for President-Elect or District Director in each case receives a majority of the votes cast for the position, by a run-off election if necessary. In the case of Director-at-Large, the candidates receiving the greatest numbers of votes shall be declared elected. (1/1/01)

d. Should a preferential (three-person) election be in progress when a candidate dies or withdraws, all first choices for that candidate shall be disregarded, but the second choices on those first choice ballots shall be credited to the appropriate candidates. (9/29/94)

Sec. 8.
Vacancies in Office

a. A vacancy in any office filled by vote of the Council, except on the Council Policy Committee, shall be filled by the Council for the unexpired term of said office as soon as practicable after the vacancy occurs. If the unexpired term is less than one year, the vacancy shall be filled by election for a period equal to the unexpired term plus a full term as specified in the Constitution or Bylaws. For purposes of determining eligibility for self-succession, this combined period of service shall be construed equivalent to a regular full term. (1/1/68)

b. A vacancy in the office of District Director, if the unexpired term is more than one year, shall be filled for the unexpired term by vote of the members in the District affected as soon as practicable after the vacancy occurs. If insufficient time is available to conduct the election
of a District Director by vote of the members of the District affected, then the District Director shall be
selected by vote of the Councilors in the District affected but shall serve only for the period of the
unexpired term. (1/1/01)

c. A vacancy in the office of President-Elect shall be filled as soon as practicable after the vacancy
occurs by ballot of the Council from among the other nominees in the previous election and any petition
candidates. (10/19/04)

d. Nomination for any vacancy shall be made in accordance with the Bylaws pertaining to nominations
for the office concerned.

e. A vacancy in any office filled by vote of a Local Section or Division shall be filled in accordance
with its bylaws by the Local Section or Division concerned as soon as practicable after the vacancy
occurs. Such changes in office shall be reported promptly to the Executive Director of the SOCIETY.
Any vacancy in the position of Councilor or Alternate Councilor shall be filled for the remainder of the
unexpired term in one of the following manners: (1) in a predetermined order of succession as provided
in the bylaws of the Local Section or Division from among Alternate Councilors and/or unsuccessful
candidates for these positions, (2) by means of a special election, or (3) at the time of the next annual
election. If the third option is used, the vacancy may be filled until the next annual election by
appointment by the governing body of the Local Section or Division. (10/19/04)

Sec. 9.  
Eligibility

a. Incumbency of one office shall not render anyone ineligible to another, except as provided in this
Section. (9/29/94)

b. If any MEMBER who is already a Councilor or Director shall be elected to an office which includes
ex officio membership on the Council or Board of Directors, acceptance of such office shall be
considered to involve resignation of the former position as Councilor or Director, and the position thus
vacated shall be filled in the manner prescribed in these Bylaws. (9/29/94)

c. Irrespective of other provisions of these Bylaws, no nominee shall become a candidate unless the
nominee has indicated in writing a willingness to serve if elected. It shall be the responsibility of the
group submitting a nomination to the Executive Director or to the Council to present to the Executive
Director, prior to balloting, evidence that the nominee is willing to serve if elected. (9/29/94)

Sec. 10.  
Tie Vote

a. In the event of a tie vote among the winning nominees in the selection process of candidates for any
elective office, all nominees involved in the tie shall be placed on the ballot as candidates. (9/29/94)

b. Tie votes in the election of President-Elect and Directors shall be resolved by a ballot of the Council.
(10/19/04)

c. Tie votes for any office in an annual election of a Local Section or Division shall be resolved in
accordance with its bylaws by its governing body, or by vote of its members either at an election meeting
or by ballot. (10/19/04)

Sec. 11.  
Requirements for Balloting

a. In balloting for President-Elect, District Director, and Director-at-Large, biographies and
statements for all candidates and nominees, as appropriate, shall be conveyed with the ballots if they are
received by the Executive Director at least thirty days before the scheduled date for distributing the
ballots. (10/19/04)

b. The Committee on Nominations and Elections shall set and announce in advance of the balloting
for President-Elect, District Director, and Director-at-Large the interval during which ballots must be
received to be counted; this interval shall be not less than four nor more than seven weeks following
distribution of the ballots. (10/19/04)

c. For all SOCIETY balloting the Committee on Nominations and Elections shall establish and
submit to the Council Policy Committee for their approval balloting procedures that meet the
requirements of (1) fair balloting that is open to all eligible members of the SOCIETY, (2) anonymity,
(3) protection against fraudulent balloting, (4) ballot archiving, and (5) the timely reporting and archiving of balloting results. (10/19/04)

d. The Executive Director and at least one member of the Committee on Nominations and Elections shall together be responsible for the counting of ballots received within the interval and shall certify the results. (10/19/04)

Sec. 12.
Procedure for Special Elections

If, in a specific nomination or election, circumstances do not permit the procedures prescribed elsewhere in these Bylaws to be carried out, the Committee on Nominations and Elections shall forthwith devise a special procedure. If such election will have the effect of filling an office for a longer period than six months, the special procedure shall include an opportunity for nomination of candidates by petition, which differs from the regular procedure for the office involved only in the date that petitions must be received by the Executive Director. Such procedure shall be transmitted to and publicized promptly by the Executive Director, and used for that specific nomination or election. (9/29/94)

Sec. 13.
Fair Election Procedures

All elections and election campaigns for office in the SOCIETY, its Local Sections, and its Divisions shall be carried out according to the following:

a. No funds of the SOCIETY, its Local Sections, or its Divisions shall be used to support or to oppose the candidacy of an individual or group of individuals. No facilities, such as office space, equipment, or supplies; official letterhead; or mailing permit of the SOCIETY, its Local Sections, or its Divisions shall be used to support or oppose the candidacy of an individual or group of individuals, except as provided in this Section. (9/29/94)

b. If space in a SOCIETY, Local Section, or Division publication, other than a paid advertisement at commercial rates, be used to support or to oppose the candidacy of an individual, space must be made available simultaneously and equally to support or to oppose the candidacy of every other candidate for the same office.

c. For the purpose of distributing campaign material, candidates for office shall have the right to use the membership list of those members eligible to vote for that office. All costs associated with preparation and use of the distribution lists shall be borne by the candidate. (10/19/04)

d. If in a Local Section or Division election the Committee on Nominations and Elections finds a significant violation of the Constitution and Bylaw provisions regulating election procedures, which violation appears to benefit the winning candidate, the Committee may declare the election void and order a new election to fill the vacancy. Opportunity shall be provided for a candidate whose election is challenged, and the challenger(s), to state their views and convey such comments with any correspondence on the subject to the Committee. Opportunity shall be provided for full discussion by all candidates before the Committee, or a decision may be rendered by balloting if that course of action is preferred by all candidates involved. A positive vote by two-thirds of the entire Committee shall be required to declare an election void. No candidate in the disputed election shall vote in the Committee on this decision. The SOCIETY shall hear no further appeal from this decision. (10/19/04)

e. If in a District or national election the Council Policy Committee finds a significant violation of the Constitution and Bylaw provisions regulating election procedures, which violation appears to benefit the winning candidate, the Committee may declare the election void and order the Committee on Nominations and Elections to carry out a new election. Opportunity shall be provided for a candidate whose election is challenged, and the challenger(s), to state their views and convey such comments with any correspondence on the subject to the Council Policy Committee. Opportunity shall be provided for full discussion by all candidates before the Council Policy Committee, or a decision may be rendered by balloting if that course of action is preferred by all candidates involved. A positive vote by two-thirds (2/3) of the membership of the Council Policy Committee shall be required to declare an election void. No candidate in the disputed election shall vote in the Committee on this decision. The SOCIETY shall hear no further appeal from this decision. (10/19/04)
