This Schedule of Membership was APPROVED April 7, 2020 by the Council Policy Committee, acting ad interim for Council, and CONFIRMED by the Board of Directors April 22, 2020. EFFECTIVE DATE: April 22, 2020.

**FINAL**

**2021 Schedule of Membership**

This proposed Schedule of Membership is based on the ACS Governing Documents, for which a lot of text in the Schedule of Membership Specifics section below was taken from the Standing Rules. The Petition on Benefits and Dues proposes to remove the text from the Standing Rules so that it can be included in this Schedule.

**Dues and Benefits Process**

The American Chemical Society strives to meet the challenge of continued and sustainable growth in membership through regular assessment of dues categories and benefits. To make membership in the Society a valued experience for its members, dues categories and benefits packages will be established based on the professional and personal benefits they provide to members at different stages in their careers and as their roles in the global chemistry enterprise evolve.

The Committee on Membership Affairs (MAC) shall assess member benefits annually, propose dues commensurate with those benefit packages, and submit its recommendations to the Committee on Budget & Finance (B&F). B&F shall conduct an analysis of the proposed dues and benefits packages to determine the financial impact on the Society. The recommendation for dues and membership benefits, and a statement of financial impact by B&F, shall be submitted by MAC to Council for action at its spring meeting.

Dues for each category will be based on the fair-market value of each benefits package. The base rate for dues shall be calculated by multiplying the previous year’s base rate by a factor that is the ratio of the revised Consumer Price Index for Urban Wage Earners and Clerical Workers (Service Category) for the second year previous to the dues year to the value of the index for the third year previous to the dues year, as published by the United States Department of Labor, with fractional dollar amounts rounded to the nearest whole dollar. Annual dues changes as recommended to Council may not exceed $10 or 10 percent, whichever amount is greater.

Should the Council not act to replace the proposed dues and benefits packages as submitted, the dues and benefits of membership shall default to the last approved version.

**Schedule of Membership Specifics**

**Base Dues**

The 2021 base dues rate will be as recommended by the Committee on Budget & Finance and approved by Council action.
