In case of a tie vote, the Executive Committee, by ballot, shall elect from among the candidates who share the tied vote; the candidate receiving the largest number of votes shall be declared elected.

i. The following time schedule shall be observed to conduct an election:

(1) The list of nominees nominated by the Nominating Committee shall be distributed to all members of the Division no later than one week following the fall meeting of the SOCIETY.

specific charges and reasonable substantiating evidence is submitted to the Chair from at least five
members of the Division. In the event the Chair is the official in question, the Chair-Elect shall
receive the petition and shall assume the duties of the Office of Chair with respect to this issue until
the issue is resolved.

Section 3. The Chair shall, without delay, determine that the petitioners are aware of the gravity of
their actions and the procedures to be followed. The Chair shall seek an alternate resolution to the
problem and a withdrawal of the petition at this time. In the absence of a resolution to the problem,
the Chair shall notify the members of the Executive Committee and call a special meeting within
thirty days.

   a. The Executive Committee shall promptly continue the recall process or dismiss the petition
      as ill-founded or find an alternate resolution to the problem. The Chair shall promptly inform
      the petitioners and the official of the decision of the Executive Committee. If no contact with

(b) The official may request a recall vote. Division members shall be informed, through brief written statements prepared by the Executive Committee and the official, of the issues involved with the recall vote. Both statements shall be distributed to the members before the vote is conducted by ballot. A paper ballot will be mailed to any member who requests it. At least two-thirds (2/3) of votes cast shall be required for the official to be removed from office. The membership shall be informed of the results of the recall vote.

(c) The official may request a hearing and a recall vote by the remaining members of the Executive Committee. A two-thirds (2/3) vote of the remaining members of the Executive Committee shall be required to recall the official.

If a majority of the sponsors accept recommendations for modification, the proposal as modified becomes the proposal for amendment. The Division Secretary or other designated member of the Executive Committee may submit this proposal to the SOCIETY’S Committee on Constitution and Bylaws for preliminary review; all required changes and those recommended changes so approved by the Executive Committee as a result of this preliminary review shall be incorporated into the final language of the proposal for amendment.
