

CEPA Mission and Vision Statements

Mission Statement

The Committee on Economic and Professional Affairs empowers ACS members to continuously develop professionally.

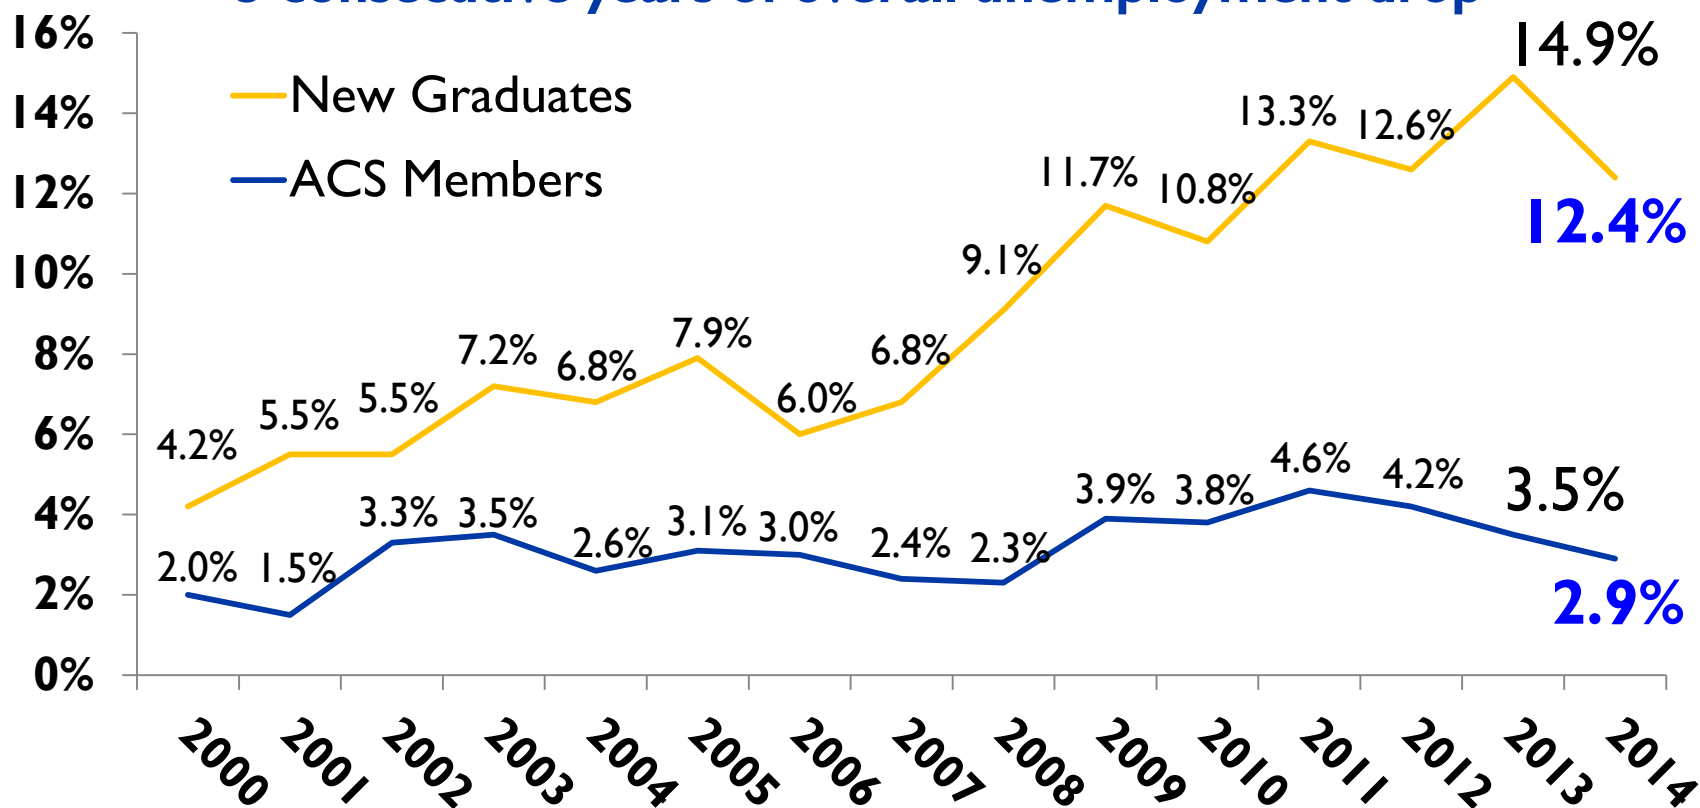

Vision

The professional lives of ACS members will be thriving because of ongoing career planning and sustained use of the best available tools that meet their needs at every stage of life.

New Chemistry Graduates and ACS Member Unemployment (2000-2014)

- New graduate unemployment dropped in 2014
- 3 consecutive years of overall unemployment drop

Adapted from ACS Comprehensive Salary and Employment Survey and ChemCensus 2000-2014 and ACS Survey of New Graduates in Chemistry, Chemical Engineering and Related Fields 2000-2014
