

BYLAWS STATUS REPORT – Divisions
Prepared by the Committee on Constitution and Bylaws

Last updated 8/15/17

Effective dates are **grayed out** for proposed bylaw changes that are currently in progress. Division acronyms in **red font** have not updated their bylaws since 2007 or earlier. C&B continues to contact Divisions to give them options to update their bylaws, which are available at www.acs.org/bulletin5. Division acronyms and dates are **bold** if the bylaws were certified in 2017; notes are highlighted in **yellow** if the bylaws have been certified since the last ACS national meeting.

NOTE: If C&B does not hear from a Division within **fifteen months** from the date that C&B sends its review and report, the Division will need to start the bylaw process over. Contact C&B at bylaws@acs.org if you have any questions or comments, or if you would like to update your bylaws.
