

Committees Covered by the Volunteer Committee Reimbursement Policy:

(as of January 1, 2024)

The American Chemical Society endeavors to increase and broaden non-councilor attendance and service at Council related committee meetings held during the national meeting timeframe. To further this goal, the ACS provides financial support, under the conditions set forth below, for ordinary, necessary, and reasonable transportation, lodging, and meal expenses for non-councilor members, associates, and consultants who request such support associated with their committee attendance and service. This policy for non-councilors is to conform to the established Councilors Travel Reimbursement Program to provide equitable reimbursement of all committee members while keeping travel expenses for ACS governance at a moderate and reasonable level.
