SOCED members, associates, and consultants who are not Councilors can also request reimbursement of travel costs with receipts. (Travel costs for Councilors attending Council meetings will be covered via the Councilor Attendance Incentive Allotment Program with allotments being sent to the local sections and divisions they represented.) Total costs up to a maximum not to exceed $1,500 can be claimed per meeting. Meeting registration will only be reimbursed for those with advanced authorization to conduct committee business at ACS Spring or Fall meetings. If necessary, ACS will also reimburse certain travel expenses incurred due to authorized committee and subcommittee meetings and work performed outside of ACS Spring and Fall meetings. Advanced authorization is required. The SOCED reimbursement policy covers the full committee and its subcommittees, not its subgroups.</td>
