NTS Meeting Agenda

10:00 – Welcome, Kick-off
10:20 – 12:00 – Project team working sessions
12:00 – 13:00 – Committee lunch & photo
13:00 – 13:30 – Chair and Staff Liaison reports, petition review
13:30 – 14:00 – Governance presentation (Guest: Bill Carroll)
14:05 – 14:35 – ConC presentation
14:40 – 15:00 – Break
15:00 – 16:00 – Project Team Report Outs (8-10 minutes/team)
16:00 – 16:30 – IYPT, IUPAC 100, NTS Happenings, New business
16:30 – 16:45 – Action Items Review, Project reporting framework/frequency
16:45 – 17:00 – Closing
Committee on Nomenclature, Terminology and Symbol (NTS) Strategic Projects
August 20, 2018
Boston, MA

Enabling a Common Language for Chemistry

NTS Strategic Planning Retreat Team
Achieve a common language of chemistry by educating its practitioners. [Impact, H; Resources, H]

Facilitate the interaction of chemists to implement appropriate chemical representations. [Impact, H; Resources, M/H]

Advocate for the use of a common language of chemistry. [Impact, H; Resources, M/H]

S-1: By 2020, develop and write materials that educate K-16 students about NTS and its history, need for use, and importance. [Impact, H; Resources, M-H]
S-2: Develop regular schedule of presentations (symposia, workshops, program-in-a-box) with AACT, CHED, SOCED by Fall 2018 National ACS meeting. [Impact, H; Resources, H]
S-3: Develop system to facilitate communication to the Society about NTS issues with a goal of reaching 20% of membership by Spring 2019. [Impact, M; Resources, M]

S-1: By Spring 2019, develop and implement an NTS symposium series, partnering with ACS divisions/programming units. [Impact, H; Resources, M]
S-2: Complete a inventory of ACS activities that fall within the purview of NTS by the end of 2018. [Impact, M; Resources, L]
S-3: Collaborate to complete updating of the Chemistry Braille Code

S-1: Develop a stakeholder map for NTS by year end 2018 [Impact, H; Resources, L]
S-2: Reach out by September 2018 to the managing editors of Society publications to determine what NTS can do for them. [Impact, M; Resources, L]
S-3: On the basis of the resulting stakeholder map, develop an engagement model by Fall 2019 National Meeting. [Impact, H; Resources, M]
Goal 1: Achieve common language of chemistry by educating its practitioners

By 2020, develop and write materials that educate K-16 students about NTS and its history, need for use, and importance
• Status: Kicked off

Develop regular schedule of presentations (symposia, workshops, program-in-a-box) with AACT, CHED, SOCED by Fall 2018 National ACS meeting
• Status: In progress

Develop system to facilitate communication to the Society about NTS issues with a goal of reaching 20% of membership by Spring 2019
• Status: Kicked off
Goal 2: Facilitate the interaction of chemists to implement appropriate chemical representations

By Spring 2019, develop and implement an NTS symposium series, partnering with ACS divisions/programming units

- In progress

Complete an inventory of ACS activities that fall within the purview of NTS by the end of 2018

Collaborate with National Federation of the Blind to update the Braille Chemistry Code.

- Dash, the CAS cat is standing in for Philip
- Workshop at SERMACS
Goal 3. Advocate for the use of a common language of chemistry.

Develop a stakeholder map for NTS by year end 2018
- Status: Final Review

Reach out by September 2018 to the managing editors of Society publications to determine what NTS can do for them

On the basis of the resulting stakeholder map, develop an engagement model by Fall 2019 National Meeting

STAFF LIAISON REPORT
Sponsorship

NTS sponsored SERMACS 2018 at the Nickel level

$700

Supported Braille Chemistry Code workshop – funding speakers and supporting teachers’ registration
Meeting resumes promptly at 15:00

PROJECT TEAM REPORTS
INTERNATIONAL YEAR OF THE PERIODIC TABLE 2019
International Year of the Periodic Table of Chemical Elements

2019 = 150th anniversary of Mendeleev’s Periodic Table

Designated by the United Nations, Official Organizing Group is IUPAC

ACS is working with IUPAC’s US-based National Committee

Visit www.acs.org/iypt to learn more. Contact IYPT@acs.org
2019 IYPT

- Planned Activities
  - IYPT-themed International Activities Committee (IAC) reception in Boston on Sunday, August 19, 5:30-7:30 PM, Sheraton Boston Hotel, Back Bay C/D
  - IYPT challenge grants, sponsored by IAC, due September 15, 2018
  - IYPT focused symposia at 2019 ACS National Meetings
  - IYPT webinars

- IYPT calendar
- Articles in C&EN highlighting various aspects of the periodic table
- Infographic and video contests
- Science & the Congress briefing on the periodic table
- Social media outreach

How will YOU celebrate?

Visit www.acs.org/iypt to learn more. Contact IYPT@acs.org
NTS’ Role?

- IYPT Challenge Grants (ACS Committee on International Activities)
- Grants will be awarded for amounts between $1000-$2000 USD
- Application deadline: September 15, 2018
- Application
Michelle Rogers & Dan Rabinovich
