COUNCIL MEETING

Seating Arrangements for Councilors Requiring Assistance

There are two areas on the Councilor floor reserved for Council members needing special assistance:

- One is located as soon as you pass through security on Council floor – there are tables without chairs available at the rear of each section of chairs, allowing wheelchair access.
- The second area is located at the front of Council (to the right of the stage), with screens providing real-time captioning of the proceedings. Captioning will no longer be provided at the top of the main presentation screens.

If you require additional assistance beyond these two options, please contact us as soon as possible at secretary@acs.org or 202/872-4461 so that we can research how best to ensure that you have a productive Council meeting.

Thank you and we look forward to seeing you in Philadelphia!
