N&E is pleased to announce that a Virtual Town Hall meeting for Councilors to hear from the candidates for Director-at-Large will take place the week of September 21. Please watch your email for the invitation and details. Also, with the consent of the candidates, there will be at least one opportunity to meet and greet the candidates for ACS President-Elect via Zoom during September and again later in the balloting period. Please watch your email for announcements.

Ballots for the 2020 Fall National Election will be distributed starting September 28, with a voting deadline four weeks later on October 23. Election results will be announced October 27. In early September, Survey & Ballot Systems, the ACS election vendor, will send a notice via email to all members eligible to vote giving them the option to request a paper ballot. Those members who do not have an email address on file will automatically receive a paper ballot with the option to vote electronically. Three email reminders will be sent during the voting period to those who have not voted as of the reminder dates.

N&E will meet on August 28 to develop slates of potential nominees for several elected offices. In order to encourage and promote diversity and inclusion in opportunities for national leadership, N&E will engage in a training session on implicit bias as part of the slate development process. Slates will be developed for President-Elect 2022, for Directors of Districts I and V for 2022-2024, and for potential candidates for Directors-at-Large for 2022-2024. The pertinent biographical information for candidates will appear in the Council agenda for the ACS National Meeting in San Antonio next March, and posted on acs.org/elections.

N&E is always interested in receiving names of qualified members to serve in nationally elected offices. Please submit your suggested names on the form located on page 35 of the Council agenda to nomelect@acs.org.
