

# Table of Contents

---

To the Instructor .....	v
To the Student .....	vi
Green Chemistry .....	vii
The Science Writing Heuristic .....	ix
<b>Safety in the Laboratory</b> .....	1
<b>Laboratory Methods</b> .....	3
1. Preparation and Properties of Gases in Air .....	23
2. Investigating Air Pollution .....	29
3. Graphing the Mass of Air and the Temperature of Water .....	33
4. Protection From Ultraviolet Light .....	41
5. The Chemistry of Sunscreens .....	43
6. Color and Light .....	49
7. Testing Refrigerant Gases .....	55
8. Molecular Models, Bonds, and Shapes .....	63
9. Extracting Limonene with Liquid CO <sub>2</sub> .....	69
10. Measuring Molecular and Molar Mass .....	77
11. Verifying Molar Ratios in Chemical Reactions .....	85
12. Hot Stuff: An Energy Conservation Problem .....	91
13. Comparing the Energy Content of Fuels .....	93
14. Preparation and Properties of Biodiesel .....	99
15. Measuring Radon in Air .....	105
16. Detecting Ions in Solution .....	111
17. Exploring Electrochemistry .....	117
18. Analyzing Water .....	125
19. Reactions of Acids with Common Substances .....	135
20. Characterizing Acidic and Basic Materials .....	141
21. Acid Rain .....	145
22. Investigating Solubility .....	149
23. Polymer Synthesis and Properties .....	151
24. Identifying Common Plastics .....	159
25. Degradation of Poly(lactic acid) .....	165
26. Fermentation and Distillation of Ethanol .....	169
27. Protein in Milk and Other Foods .....	175
28. Measuring Fat in Potato Chips and Hot Dogs .....	181
29. Measuring the Sugar Content of Beverages .....	187
30. Measuring Salt in Food .....	191
31. Measuring Vitamin C in Juice and Tablets .....	195
32. Measuring Iron in Cereal .....	199
33. Analysis of Vinegar .....	203
34. Identifying Analgesic Drugs with TLC .....	209
35. Drugs in the Environment .....	213
36. Synthesis of Mauve Dye .....	217
37. Ester Synthesis .....	223

**iv** Table of Contents

38. Isolating DNA from Plant and Animal Cells .....	227
39. Chromatographic Study of Dyes and Inks .....	231
40. Drug Money: Detection of Drug Residues on Currency .....	235
<b>Glossary</b>	239
