

## Super Silver

Silver's antimicrobial properties, amazing conductivity, and beautiful luster make it a go-to metal for a lot of uses. Find 16 of them hidden forwards, backwards, up, down, and diagonally in the letters below; note that some answers are plural. The remaining letters, when read left to right and top to bottom, will spell out why the werewolves were afraid of the thunderstorm.

S S C B E R A W T A L F C
