Technical Symposium: Nuclear Power Generation – Lessons from Fukushima Daiichi and Future Directions
9:45 – 11:15 a.m.

TUESDAY, MARCH 27
Chemistry and the Environment Film Series: Climate Refugees: The Human Face of Climate Change
12:00 noon – 2:00 p.m.

Explore Graduate School Opportunities
The graduate school events provide great opportunities for undergraduates to network with graduate students and recruiters representing a diverse variety of graduate programs and to learn about meeting the challenges of graduate school.

ATTENTION: GRADUATE SCHOOL RECRUITERS!
Network with highly qualified undergraduate students who are interested in learning more about your graduate school programs. Register to participate in the graduate school recruiting events. For more information contact Lori Betsock at l_betsock@acs.org.
