

Like winning prizes? Ready for a challenge?

Then get your cameras ready and stay on the lookout! The ChemClub Photo Scavenger Hunt, a nine-month adventure of receiving chemistry clues, searching for answers, and winning monthly prizes is about to begin.

We'll post clues every month. You find something that fits the clue, take a picture, and post on the ChemClub Facebook page (<https://www.facebook.com/acschemclubs>) with your school name, a comment explaining your image, and the hashtag #HSChemClubSH. At the end of each month a winner will be randomly selected for each clue. Each winning Club will receive a \$50 gift card. ACS staff will also post scavenger hunt photos, but will not be eligible for prizes.

Official Rules

Eligibility

Each entrant must be a current member of a chartered ACS Chemistry Club for the 2014–2015 school year. ChemClub members under 18 years of age require the permission of a parent or guardian. By posting the image to the ChemClub Facebook page, entrants under 18 years of age indicate that they have obtained the permission of a parent or guardian.

ChemClub members may post one image per clue, but the Club will only be eligible to win twice during the 2014-2015 school year. **ChemClub members are allowed to post as an individual, but the prizes will only be awarded to the ChemClub.**

How to Enter

ChemClub members will post entries through the Scavenger Hunt tab (<http://woobox.com/h3rbux>) hosted on the ACS ChemClub Facebook page (<https://www.facebook.com/acschemclubs>). A complete entry is a photo along with the name of your school, a comment explaining the image and the hashtag #HSChemClubSH. By submitting an entry you agree to the Official Rules and confirm your entry conforms to all requirements.

Photo Criteria

- Must be entrant's own original work
- May only contain content, including recognizable people, for which you have, or have the power to grant, all required consents and approvals
- Cannot include any third party trademarks (logos, names) or copyrighted materials (music, images, video)
- For a photo in which a person is recognizable, a signed photo release from the subject or, in the case of a minor, the subject's parent or guardian must be submitted to the ChemClub advisor. Failure to provide a signed photo release, when asked, will disqualify the photo(s).

- Must comply with all Terms of Use for Facebook. Photos must be appropriate for posting on a public website and using in ACS promotional materials. Obscene or otherwise questionable content will not be considered. Please note that ACS staff will approve all scavenger hunt postings before they are published on the ChemClub Facebook page. ACS retains sole discretion as to what constitutes inappropriate content.

Photographer/Copyright

The photograph and the description, each in its entirety, must be original material by the ChemClub member posting them. Submission of photo and description is a guarantee that the ChemClub member is the rightful owner of the photo and that no other party has any right, title, claim, or interest in the photograph or the description.

Though ChemClub members retain copyright for each image submitted, the digital image file(s) submitted will not be returned or acknowledged. By submitting pictures to the Scavenger Hunt, ChemClub members grant ACS unlimited and indefinite permission to display submitted images on/in American Chemical Society exhibits, electronic, print and/or digital materials.

Winner Selection and Prizes

Every month, following the close of the entry period, all entries that correctly relate to each given clue will be entered into a random drawing for that clue's gift card prize.

The ChemClub of each prize winner will receive a \$50 Visa Gift Card, sent to the school address on file. There are no limits on the number of Club members who can submit an entry for each clue, but each ChemClub will only be eligible to win two prizes during the 2014-2015 school.
