

Mission Statement

ChemClub invites, motivates, and encourages high school students to explore the many ways that chemistry connects to their world. Supported by the American Chemical Society, ChemClub provides fun, authentic, and hands-on opportunities for members to:

- experience chemistry beyond what is taught in the classroom,
- learn about study and career opportunities in the many and varied fields of chemistry,
- provide service for the betterment of their communities,
- discover and pursue connections within the larger chemistry community, and
- develop leadership and communication skills.
