Carlita went out shopping
With baby brother, Tom,
Looking for a birthday gift—
A big surprise for Mom.

They found a crystal necklace,
So shiny and so bright.
They knew that Mom would love it.
It was a pretty sight!

But when they saw the price tag,
They knew what they must do.
They started making crystals,
And now they have a slew!
CRYSTAL CREATIONS

- pencil
- index card
- black construction paper
- blunt-tipped scissors
- glue
- 1 tablespoon hot tap water
- disposable clear plastic cup
- 1 tablespoon Epsom salts
- measuring cup and spoons
- cotton swab
- yarn or string

1. Add Epsom salts to water. Mix well to dissolve.

3. Glue black paper shape onto index card shape.

5. Punch hole in shape with pencil and add yarn to make a crystal pendant!
