O o is for ocean.

Ollie is a handyman,
The greatest one around.
He makes toys from odds and ends
And sells them by the pound!

While walking by the ocean,
And looking at the waves,
Ollie had a great idea—
A toy that would get raves!

So Ollie mixed up liquids
And added color, too.
See if you can do the same,
And make a toy for you!
OCEAN IN A BOTTLE

What You'll Need:

- large clear plastic soda bottle
- water
- blue food coloring
- light-colored cooking oil

1. Fill the bottle halfway with water.

2. Add a few drops of blue food coloring and mix.

3. Add oil until the bottle is filled to the very top. Cap tightly.

4. Turn the bottle sideways and tilt up and down. What do you see?
