Quincy and Quinona Quack
Are very quick indeed.
Everything they do is fast.
They move with lightning speed.

The quickness of those Quack kids
Is surely no mistake.
It took them years of practice,
’Cause quickness you can’t fake.

Now Quincy and Quinona
Can teach you quickness, too.
So practice with the Quack kids
And learn what’s quick for you!
QUICK QUACKERS

What You'll Need:
- cardboard
- ruler
- blunt tip scissors
- pencil
- black marker
- crayons

1. Cut a strip 2 inches wide by 20 inches long from the cardboard. Divide the strip into 5 equal parts.

2. Using the marker, label each band as shown and then color the bands.

3. Have your partner hold the strip so that the red end is between your thumb and finger.*

4. When your partner lets go of the strip, try to catch it. Which color did you grab? How quick are you?

* Keep thumb and finger about 1" apart.
