

The American Chemical Society, Qatar Chapter, Presents

“ACS Research Conference: Chemistry and Chemical Engineering in MENA”

March 10-12, 2020 - Doha, Qatar

Highlighting the research, educational and industrial advances in chemistry and chemical engineering in the Middle East and the North African regions, prominent scientists, engineers, and industrial leaders will share the enormous developments in innovative research and higher education in recent years. In attendance will be members of the ACS leadership, including 2019 ACS President-Elect Dr. Luis Echegoyen, and Prof. Peter Stang, Editor of JACS.

The website (under construction) is www.acs.qa. Information on travel, registration, and the call for papers will be available soon.

If you have any questions, please contact members of the conference committee at QatarACS@qatar.tamu.edu.

Plenary Speaker:

**Sir Fraser Stoddart, Nobel Laureate in Chemistry 2016,
Northwestern University, USA.**

TEXAS A&M
UNIVERSITY *at* QATAR
