

## Chemistry Enterprise Partnership

This Chemistry Enterprise Partnership ("Agreement") is entered into on this XX<sup>th</sup> day of XX, 2019, by and between the American Chemical Society (ACS), a federally-chartered non-profit headquartered at 1155 16<sup>th</sup> Street, N.W., Washington, D.C. 20036, and the American Oil Chemists Society (AOCS) headquartered at 2710 Boulder Dr, Urbana, IL 61802.

ACS and AOCS have a shared interest in advancing the chemistry enterprise, and its practitioners, in addressing global challenges confronting humanity. Toward that end, ACS and AOCS enter into a three-year Agreement to collaborate in the following areas; the underlying theme(s) of the collaborations shall, to the extent possible, aligned with the United Nations 2030 Sustainable Development Goals (SDGs), particularly those appended to this Agreement:

1. **Member Training, Education and Employability:** Develop symposia, workshops and training on a wide-variety of leadership, communications, education and employment issues taking into account diversity, inclusion, and other relevant factors identified by each party.
2. **Meeting Collaborations and Exchanges:** Explore opportunities to jointly participate in and support each other's meetings, including, but not limited to preferred meeting registration rates, sponsorships and member exchanges.
3. **Membership, Programs & Services:** Explore, under separate non-disclosure agreement, potential joint memberships, program/resource expansion and enhancement, new program and service offerings and other opportunities deemed by each party to be of added value to its organization and members.

AGREED by the Parties through their authorized signatories:
