# INDUSTRY MATTERS

## Information, insights, and advice for ACS industry members

March 26, 2020

*In celebration of Women's History Month, we are pleased to bring you a special issue with our top Industry Matters interviews featuring women from the past year.*

*Read on for advice and perspectives from some of the leading women in the chemical industry, including insights to tackle complex leadership questions, identify creative solutions for global challenges, champion a diverse and inclusive work culture, and best articulate your value to employers.*

*And, we want to hear from you! Tell us about the women leaders who have helped you grow in your career using the hashtags [#ACSIndustryMatters](#) and [#WomensHistoryMonth](#) on social media.*

*ACS Industry Matters Team*
