# MOBILE APP SEARCHING

You may search from the main dashboard using the magnifying glass icon in the lower right-hand corner

1. Start typing into the search bar at the top to search for a session.

Once you find your sessions, click on them to add them to your schedule by tapping the Star icon to the left of the session.

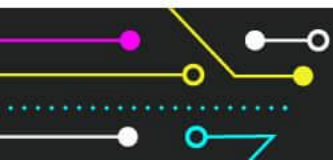

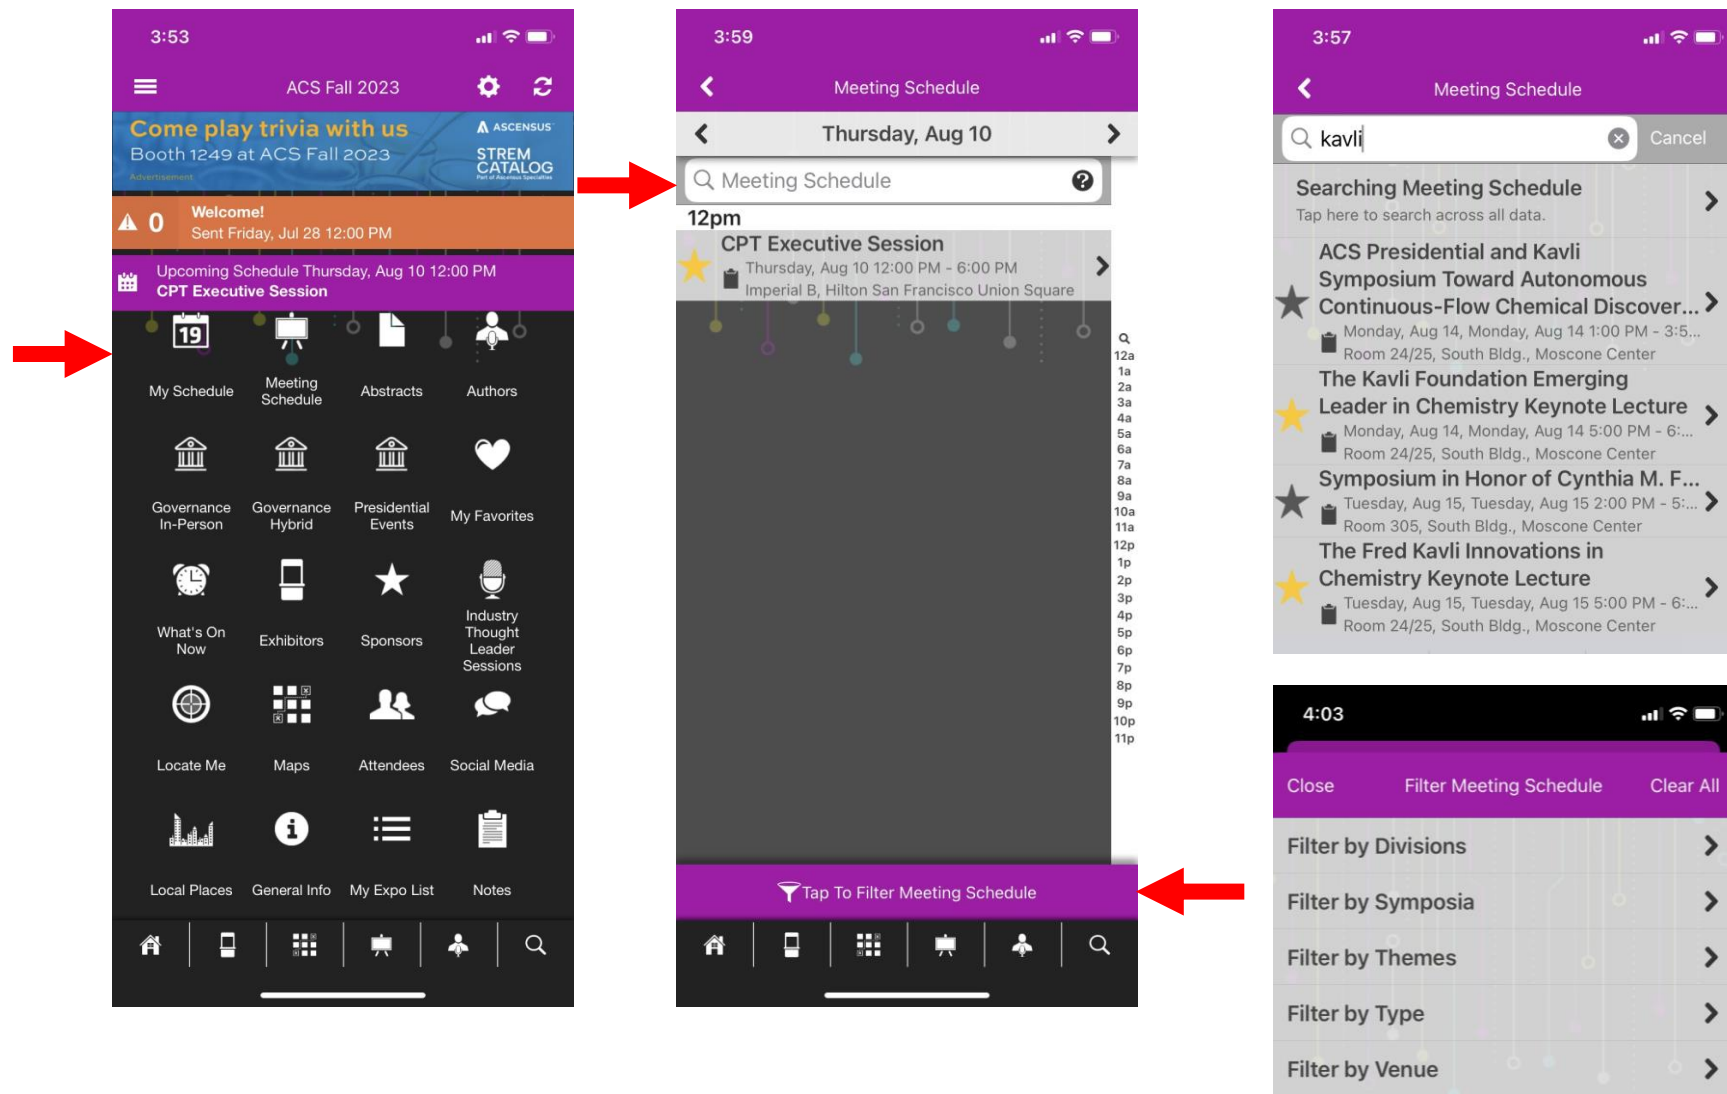

# MOBILE APP SEARCHING VIA MEETING SCHEDULE

You may also search via the Meeting Schedule. There are 2 options below:

1. Start typing into the search bar at the top to search for a session.
2. To fine tune your search you can tap the Filter Options at the bottom to filter by Division, Symposia, Themes, Session Types, and Venue

Once you find your sessions, add them to your schedule by the tapping the Star icon to the left of the session.

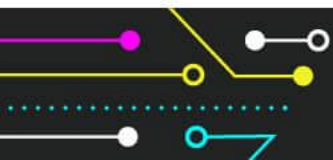

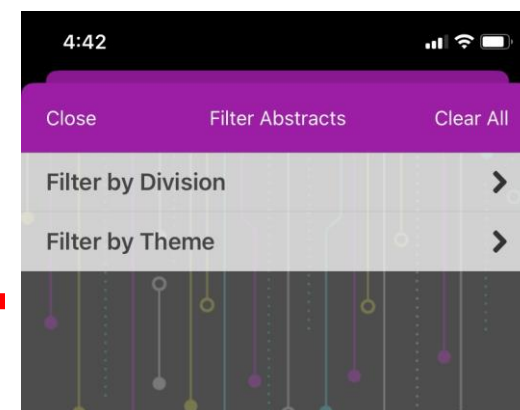

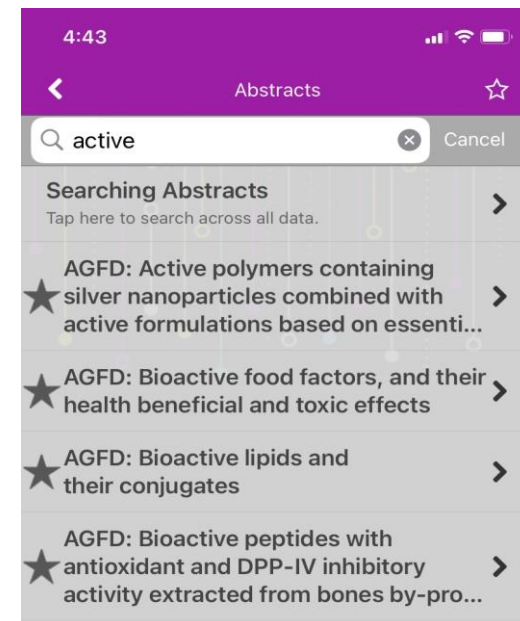

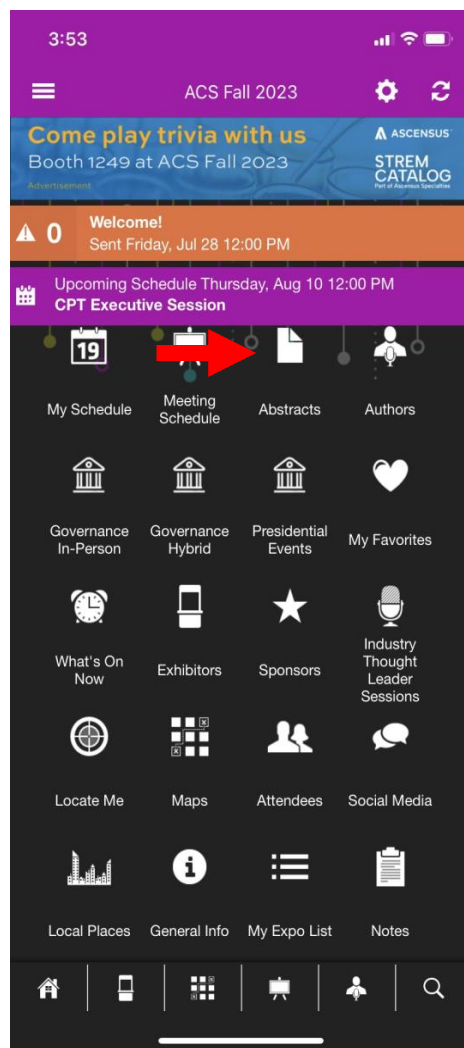

# MOBILE APP SEARCHING VIA ABSTRACTS

The abstracts list lets you browse the abstracts.

1. Start typing into the search bar at the top to search for an abstract
2. To fine tune your search you can tap the Filter Abstracts at the bottom to filter by Division or Theme.

Once you find the abstracts, add them to your schedule by the tapping the Star icon to the left of the abstract.

# MOBILE APP SEARCHING VIA AUTHORS

The Authors list lets you search by Authors.

1. Start typing into the search bar at the top to search for an author
2. Search all authors, authors only, or presenters only.
3. You can view bios and descriptions, and view the session they are speaking in, or the abstract they are presenting.

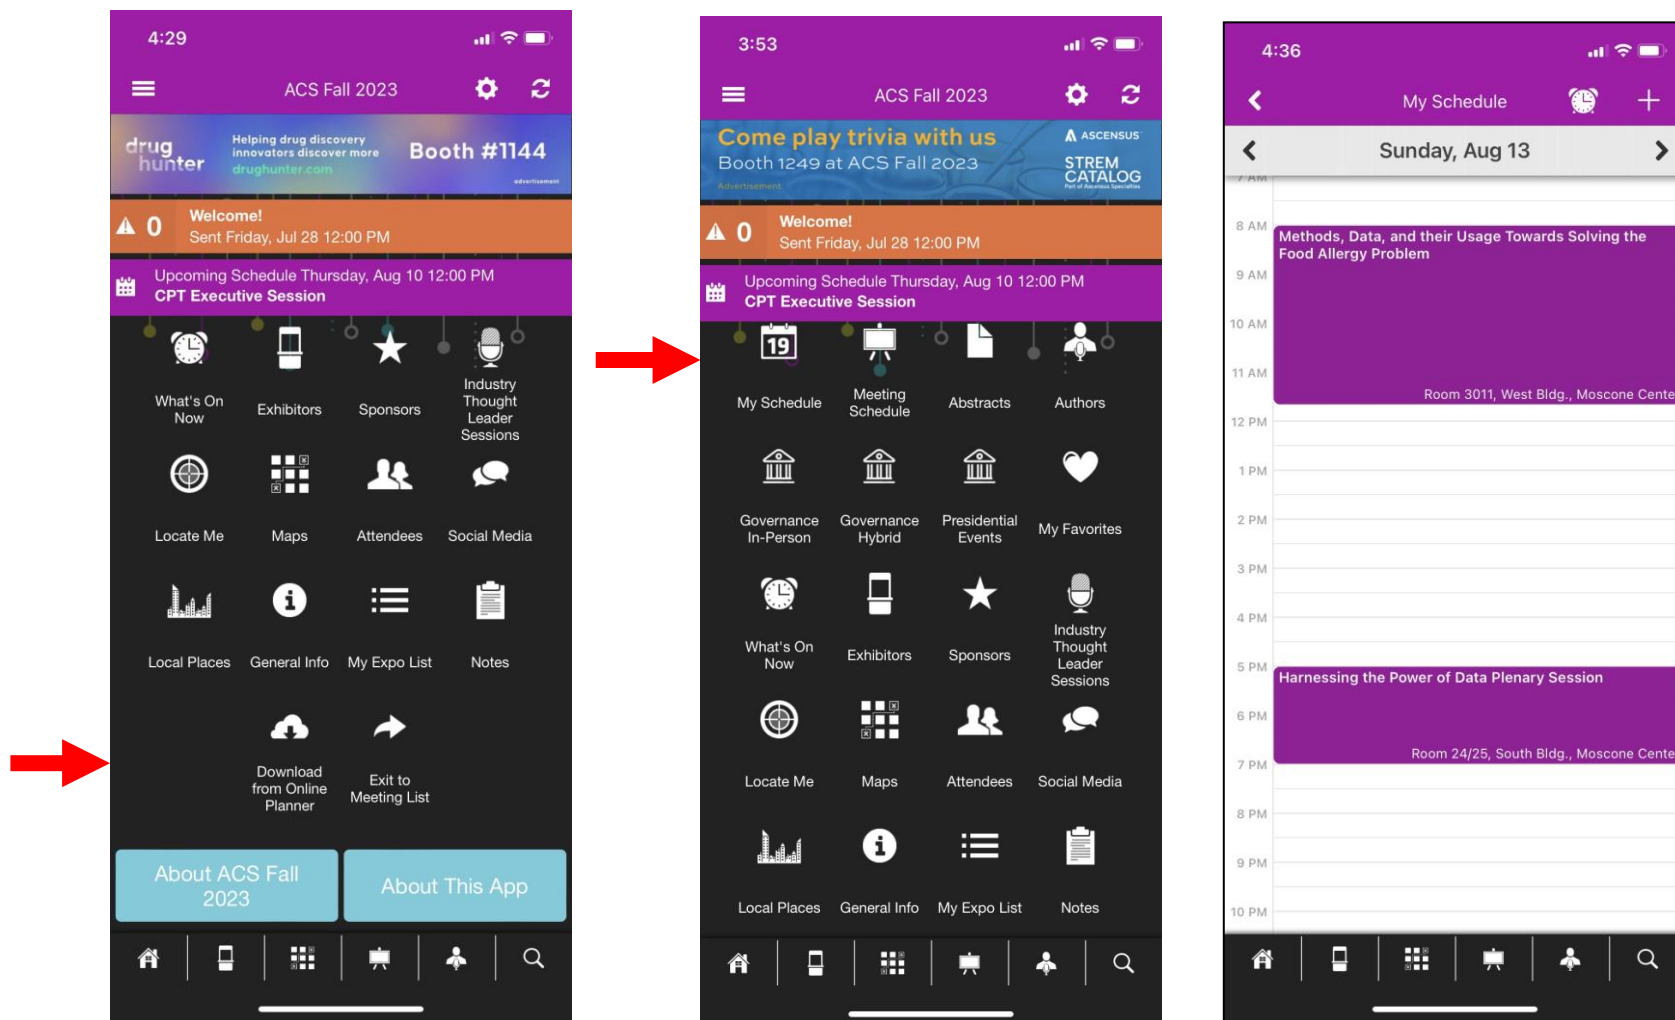

# MOBILE APP SYNC WITH VIRTUAL PLATFORM

Sync your schedule from the virtual platform into “My Schedule” in the app

1. Using “Download from Online Planner” log into the ACS SSO to start the sync.

2. View your schedule in My Schedule

Note: The sync from the platform only syncs one way so any changes you make in the app will only be visible in the app.

**If you need additional assistance with the mobile app, please stop by the Information Booths in Moscone South and West!**

**We look forward to seeing you in San Francisco!**
