

ACS Fall 2026 Mobile App -iPhone

Stay Connected to ACS Fall 2026!

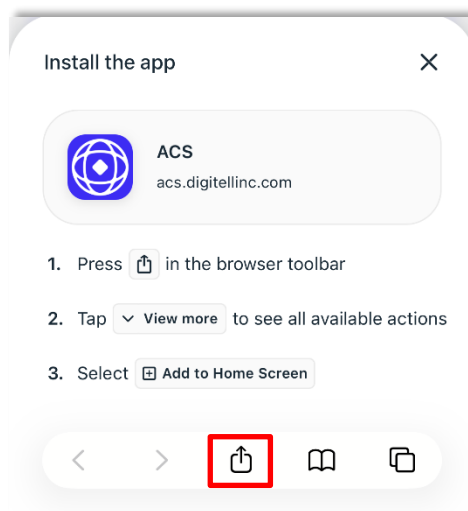

No app store hassle required! Simple follow the QR code on your mobile device or the steps from this flyer. You'll get a prompt to add it to your home screen for quick access. Don't forget steps 3 and 5 to receive notifications and to connect to the other attendees.

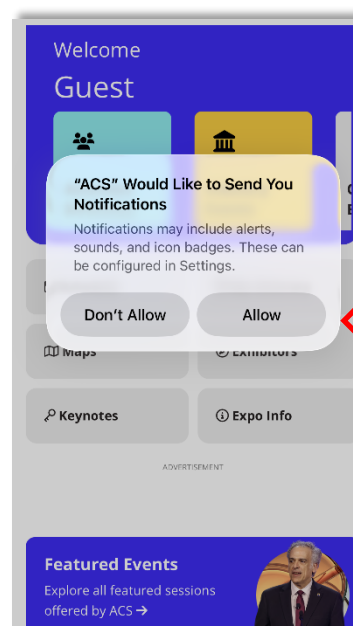

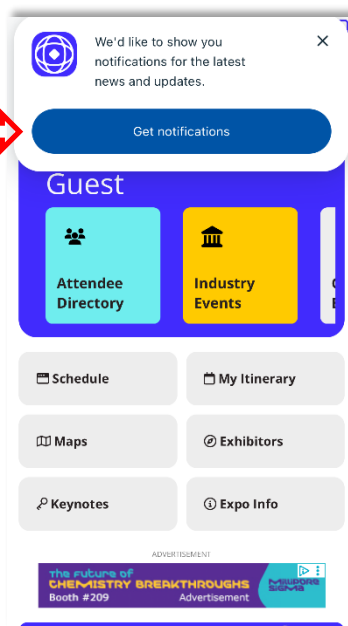

Step 1: Go to acs.digitellinc.com or use the QR Code. Click the "Install" button that pops up.

Step 2: Follow the directions at the bottom of the screen. ACS logo will be saved to device home screen.

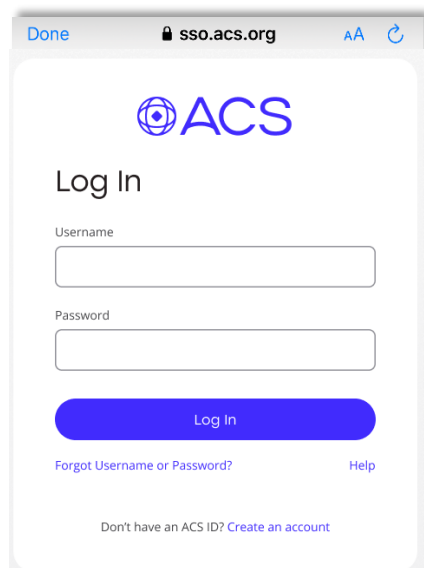

Step 3: Remember to turn on your notifications for the app to stay current on information for the meeting. Select "Get Notifications" and "Allow."

Step 4: Log-In with your ACS ID, the same one you used to register for the meeting.

Step 5: Select Attendee Directory on the home screen and then edit profile and privacy setting to allow yourself to be searchable by other attendees.

The screenshot shows the ACS mobile app's login screen. At the top, the browser address bar displays 'sso.acs.org'. The ACS logo is centered at the top of the page. Below it, the text 'Log In' is displayed. There are two input fields: 'Username' and 'Password'. A blue 'Log In' button is positioned below the password field. At the bottom, there are links for 'Forgot Username or Password?' and 'Help'. A footer note states 'Don't have an ACS ID? Create an account'.
