

ACS SPRING 2026

MOBILE APP ANDROID

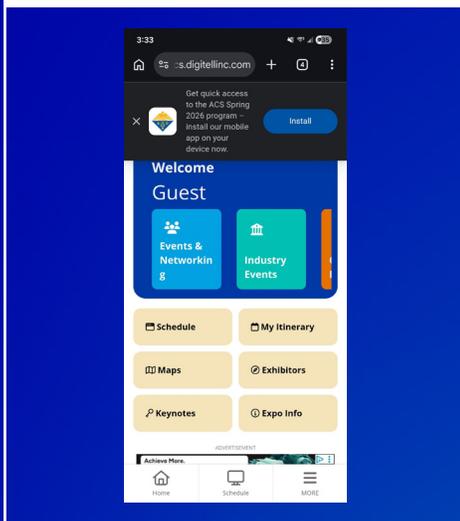

Stay Connected to ACS Spring 2026!

No app store hassle required! Simply follow the QR code on your mobile device or the steps from this flyer. You'll get a prompt to add it to your home screen for quick access. **Don't forget steps 3 and 5 to receive notifications and to connect with other attendees.**

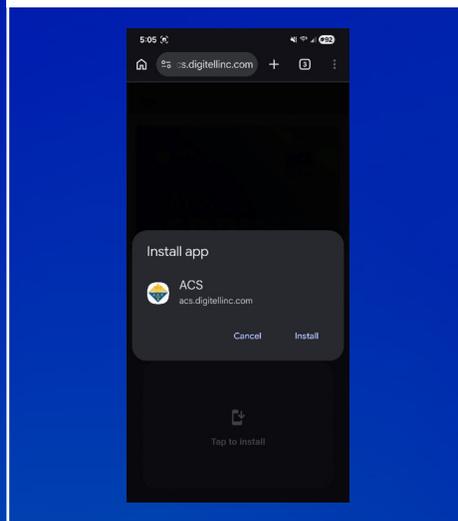

Step 1

Scan the QR code with your mobile device, then click the "install" button that pops up.

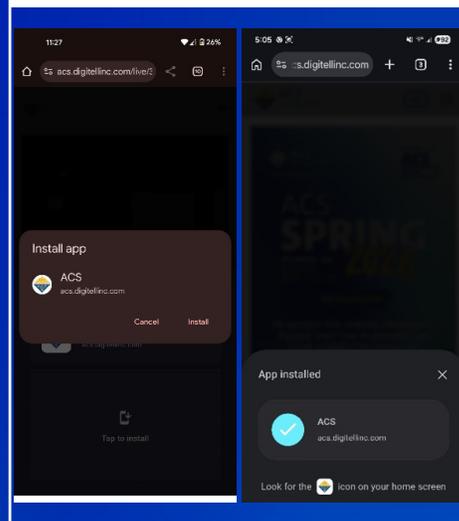

Step 2

Follow the directions at the bottom of the screen.

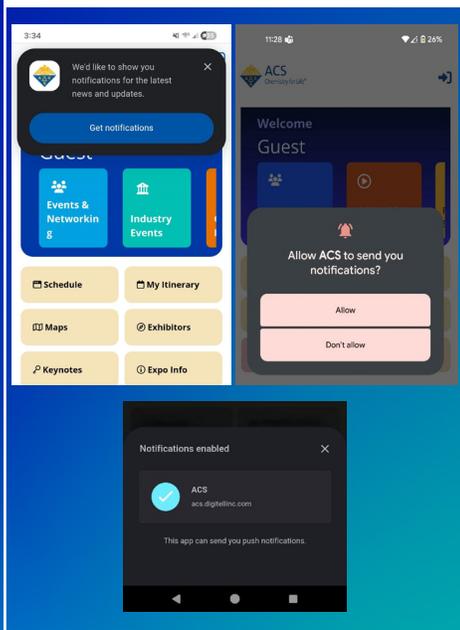

Step 2 (Continued)

Follow these steps if you do not receive the prompts for installing.

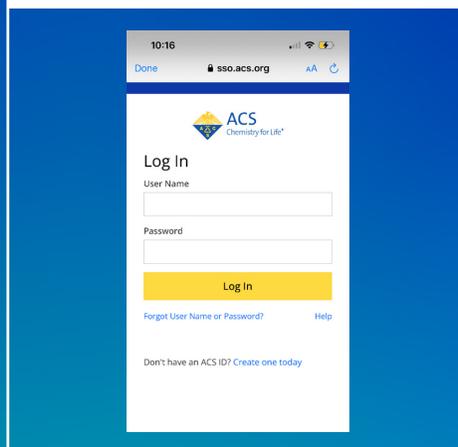

Step 3

Remember to turn on your notifications for the app to stay current on information for the meeting.

Step 4

Log in with your ACS ID, the same one you used to register for the meeting.

Step 5

Select Events & Networking on the home screen and then edit profile and privacy setting to allow yourself to be searchable by other attendees.
