

Table I-3. ACS Publications: Accepted Manuscripts by Country of Origin

The United States continues to dominate in terms of technical papers accepted for publication by the American Chemical Society; however, China has shown significant growth over the three years.

ACS Publications: Number of Manuscripts
Accepted for Publication Listed by Country of
Origin, 2007-2009

| Country | 2007 | 2008 | 2009 |
|----------------|-------------|-------------|-------------|
| United States | 11428 | 11261 | 11432 |
| China | 3030 | 3728 | 4013 |
| Japan | 2330 | 2343 | 2355 |
| Germany | 1724 | 1827 | 1914 |
| United Kingdom | 1367 | 1410 | 1424 |
| Canada | 1259 | 1262 | 1369 |
| France | 1259 | 1331 | 1352 |
| Spain | 1259 | 1235 | 1270 |
| Italy | 1066 | 968 | 1042 |
| India | 831 | 793 | 945 |
